The Skin of the Earth, Etc Arthur Austin Miller,1964 **The Greatest Show on Earth** Richard Dawkins,2009-09-22 In 2008 a Gallup poll showed that 44 percent of Americans believed God had created man in his present form within the last 10 000 years In a Pew Forum poll in the same year 42 percent believed that all life on earth has existed in its present form since the beginning of time In 1859 Charles Darwin s masterpiece On the Origin of Species shook society to its core Darwin was only too aware of the storm his theory of evolution would provoke But he surely would have raised an incredulous eyebrow at the controversy still raging a century and a half later Evolution is accepted as scientific fact by all reputable scientists and indeed theologians yet millions of people continue to question its veracity Now the author of the iconic work

The God Delusion takes them to task The Greatest Show on Earth is a stunning counterattack on advocates of Intelligent Design explaining the evidence for evolution while exposing the absurdities of the creationist argument Dawkins sifts through rich layers of scientific evidence from living examples of natural selection to clues in the fossil record from natural clocks that mark the vast epochs wherein evolution ran its course to the intricacies of developing embryos from plate tectonics to molecular genetics Combining these elements and many more he makes the airtight case that we find ourselves perched on one tiny twig in the midst of a blossoming and flourishing tree of life and it is no accident but the direct consequence of evolution by non random selection The Greatest Show on Earth comes at a critical time systematic opposition to the fact of evolution is menacing as never before In American schools and in schools around the world insidious attempts are made to undermine the status of science in the classroom Dawkins wields a devastating argument against this ignorance but his unjaded passion for the natural world turns what might have been a negative argument into a positive offering to the reader nothing less than a master s vision of life in all its splendor Soap Gazette and Perfumer ,1911 **Literary Digest** ,1920 *The Literary Digest* Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1920
