Setting Plato Straight Todd W. Reeser, 2015-12-28 When we talk of platonic love or relationships today we mean something very different from what Plato meant For this we have fifteenth and sixteenth century European humanists to thank As these scholars most of them Catholic read digested and translated Plato they found themselves faced with a fundamental problem how to be faithful to the text yet not propagate pederasty or homosexuality In Setting Plato Straight Todd W Reeser undertakes the first sustained and comprehensive study of Renaissance textual responses to Platonic same sex sexuality Reeser mines an expansive collection of translations commentaries and literary sources to study how Renaissance translators transformed ancient eros into non erotic non homosexual relations He analyzes the interpretive lenses translators employed and the ways in which they read and reread Plato s texts In spite of this cleansing Reeser finds surviving traces of Platonic same sex sexuality that imply a complicated recurring process of course correction of setting Plato straight

Goodman,2014-01-27 William T Goodman s debut novel takes us on a mesmerizing journey of linked narratives that speak to the richness and rawness of the human experience Through unusual circumstances three unlikely and uniquely different people come together in the small desert community of Lunden Arizona All three are products of their turbulent pasts possessing deep flaws as well as remarkable qualities The bond they form is of the intensity most people are lucky to experience once in a lifetime if ever Tom is a forty one year old college professor from Kingston New York He teaches English Literature as does his wife With their marriage crumbling Tom takes a sabbatical to reevaluate his life He is brilliant but often socially awkward Seeking a completely new environment in which to sort himself out he finds Lunden Arizona Tom s immense intellect and personal evolution drive the novel forward Mae is a thirty nine year old accountant and part time singer from Tennessee She married her high school sweetheart soon after graduation The marriage ends tragically but Mae puts herself through college and then leaves Tennessee behind Some years later after quitting an accounting job in Tucson Mae s car overheats on a back road leading to the Grand Canyon Without cell phone service she is stranded until a Native American in an open yellow Jeep happens by arranges for a tow and brings her to Lunden Arizona Joseph is a twenty nine year old part Crow Indian from Montana Soon after his birth Joseph s single teenage mother abandons him and leaves the state Her older sister and white husband raise Joseph on their ranch He is educated away from the reservation and after college graduation the young and idealistic Joseph returns to the reservation of his birth to teach high school His optimism quickly changes to disillusionment and then disappears altogether when a violent altercation in the classroom ends his teaching career Joseph leaves Montana for a warmer climate where he intends to lead a solitary primal existence He rents a simple house in the desert outside Lunden Arizona As the small desert town of Lunden gradually reveals its darker underbelly of sex violence and racism the

novel's realism intimately captivates us. With diverse characters brought to life through a mixture of sometimes emotional, humorous, moving, shocking, and heartbreakingly tragic developments, as well as flashback revelations, *Desert Sundays* unfolds like an ingenious jigsaw puzzle. Propelled toward an explosive finale, the novel compels us to reexamine concepts of legal versus moral justice, loyalty, degrees of personal loss, prejudice, and even the possibility of metaphysical predetermination. *Desert Sundays* strikingly showcases the complexities of contemporary America, and with masterful insight, the novel vividly captures life's intensity, touching our hearts, our hopes, and our fears. My mother used to tell me that we are all born pulling a cart. As life progresses, we fill the cart with our experiences, some good, some bad. This becomes our baggage cart. Certain people use it to build fortunes and empires, while others are crushed under the weight of their own baggage and never create anything. Joseph Curly of *Desert Sundays*.
