Obedience Joseph Hansen,2023-12-19 The death of a Vietnamese immigrant brings former death claims investigator Dave Brandstetter out of retirement As an insurance investigator Dave Brandstetter built a reputation unraveling suspicious deaths Now well into middle age he has decided to retire for the sake of Cecil the young TV reporter who loves and cherishes him and has too often risked his own life for Dave s work But retirement does not come easily Dave never did it for the money He always had that Nor did he tirelessly work cases in hopes of chasing renown It was always the pursuit of the truth that drove Dave He enjoyed the truth s habit of coming into direct conflict with bigotry allowing him to surprise the small minded along the way It doesn t take much arm twisting then to get Dave back in the saddle when an old friend in the public defender s office asks him to help Andy Flanagan a shiftless young man accused of murdering a Vietnamese businessman to defend the Old Fleet a shantytown of houseboats that has been earmarked for development Beneath the surface of this oil slicked slum lurks an international conspiracy so appalling that Dave will regret postponing his retirement [The Boy Who Was Buried This Morning](#) Joseph Hansen,2024-06-04 While investigating a suicide Dave Brandstetter discovers a dead reporter s final scoop Journalist Adam Streeter covered some of the most dangerous stories of the last quarter century

quickly learns that the pool of suspects is much deeper than the police reported Ben Orton may have seen himself as a pillar of the community but what many in La Caleta saw instead was a violent man whose commitment to enforcement didn't always also include room for the law With an ailing father in the hospital and a relationship headed toward the rocks a very distracted Brandstetter finds himself making more wrong moves than right while those on the other side of the thin blue line are making it painfully obvious his presence is not wanted

1990s and 2000s have seen a disengagement from these nationalist politics and a new trend toward a heterogeneous sense of self. The detective novel and its traditional focus on questions of knowledge and identity turned out to be the perfect medium in which to examine this new self.
