Munich then on to Vienna and finally Paris Volume II will see his return to Salzburg from London traveling through France and Switzerland This is the moment when Leopold Mozart s ambitions become more audacious It was time for Wolfgang Amadeus to begin his formation in becoming a composer and there was only one place to do this Italy And this is how father and son alone without the women of the family confronted their three journeys to Dante s Bel Paese where they made friends and found recognition as well as some less complimentary opinions We will continue to accompany the Mozart family along the various visits on their tour of Italy where they visited many important cities Verona Mantua Milan Bologna Florence Rome Naples Turin Venice We will discover through their travels the many interesting facts about how life was lived in the country of Bel Canto beautiful singing In the meantime Amadeus the child was growing into a mature musician brought up to perfect his craft having already composed his first operas as well as being able to navigate his way through the creation of the sacred and profane vocal and instrumental music The elderly prince bishop who had supported the Mozart family passed away and was substituted by Hieronymus Colloredo whose relationship with the family grew constrained over time The small and provincial Salzburg did not allow the young Wolfgang to express his full potential who dreamed of the capital and a prestigious post at the Imperial Court *The Illustrated London News* ,1847 *The Battle of Minden, 1759* Stuart Reid,2016-11-11 The fighting in Europe during the Seven Years War hung in the balance After initial successes the Austro French forces had been driven back across the Rhine With the opposing sides reinforcing their armies the campaign of 1759 was going to prove decisive Britain and her German allies met the French at Minden in Germany Due to a misunderstanding of orders the British infantry actually attacked and dispersed the French cavalry That action is still commemorated on 1 August each year with the wearing of roses by the infantry and artillery regiments whose predecessors picked flowers and put them in their coats as they passed through German gardens on the way to the battle By contrast Lord Sackville who commanded the British cavalry was accused of ignoring orders to charge the retreating French which could have turned defeat into rout He was court martialled and cashiered The victory at Minden was just one in a number of British successes that years against French forces and overseas territories across the globe This led to 1759 being described by the British as the Annus Mirabilis the year of miracles **Journal of the Royal United Service Institution** ,1924 **The Life and Times of Oliver Goldsmith** John Forster,1863 Stories from [sir W.
