Leigh Montville whose recent New York Times bestselling biography of Ted Williams garnered glowing reviews and offered an exceptionally intimate look at Williams's life brings his trademark touch to this groundbreaking revelatory portrait of the Babe. From the award-winning author of the New York Times bestseller *Ted Williams* comes the thoroughly original, definitively ambitious and exhilaratingly colorful biography of the largest legend ever to loom in baseball and in the history of organized sports. Based on newly discovered documents and interviews including pages from Ruth's personal scrapbooks, *The Big Bam* traces Ruth's life from his bleak childhood in Baltimore to his brash entrance into professional baseball from Boston to New York and into the record books as the world's most explosive slugger and cultural luminary. — Jack Dempsey Randy Roberts, 2003

A biography of Jack Dempsey Heavyweight Champion of the World from 1919-1926 — **Reporting from Washington** Donald A. Ritchie, 2005-03-15

Beginning with 1932 when a newly elected FDR energized the sleepy capital, Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades. We meet legendary columnists and investigative reporters as well as the pioneers of radio, television, cable television, and internet news. We also learn about the efforts of female and black reporters to break into what had long been a bastion of white maleness: the press corps. From Walter Winchell to Matt Drudge, the people who cover Washington politics are among the most colorful and influential in American news. *Reporting from Washington* offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century. — **Mike Donlin** Steve Steinberg, Lyle Spatz, 2024-05

Winner of the 2025 Sporting News SABR Baseball Research Award, Winner of the 2025 Larry Ritter Book Award, Finalist for the 2024 CASEY Award. Mike Donlin was a brash, colorful, and complicated personality. He was the most popular athlete in New York and was a star on the powerful New York Giants teams of 1905 and 1908. Though haunted by tragedy, including the deaths of both of his parents as a boy, Donlin was a charming, engaging, and kind-hearted man who also had successful careers on the stage and in film. One of the early bad boys among professional athletes, Donlin's temper and combativeness, compounded by alcoholism, led to battles with umpires and fans, numerous suspensions from the game, and even jail time. In 1906, when Donlin married vaudeville actress Mabel Hite, his life changed for the better, and their love story captivated the nation. Donlin left baseball after his sensational comeback for the dramatic 1908 season and joined Mabel on the stage, likely losing a Hall of Fame career. Then, in 1912, at the age of twenty-nine, Mabel died of intestinal cancer. After making a final comeback as a player in 1914, Donlin starred in baseball's first feature film. He became a drinking buddy of actors John Barrymore and Buster Keaton and married actress Rita Ross. The couple moved to Hollywood, where Donlin became a beloved figure and appeared in roughly one hundred movies, mostly in minor roles. Despite his Hollywood career, Donlin stayed connected to the game he loved and was seeking a coaching job with the Giants when he died of a heart attack in 1933. At the dawn of the celebrity era of sports, Donlin was one of the nation's first athletes to capture the public's attention. This biography by Steve Steinberg and Lyle Spatz shows why. — When Dempsey Fought Tunney Bruce J. Evensen, 1996

The 1926

heavyweight match pitting champion Jack Dempsey against challenger Gene Tunney was billed as the greatest battle since the Silurian Age and millions of Americans were determined not to miss it. A record breaking crowd of 130 000 jammed the Philadelphia stadium where the fight was held while some 39 million radio listeners nationwide gathered at city centers storefronts drugstores athletic clubs and theaters to hear live coverage of the event. No previous civic spectacle in the United States had drawn so many witnesses. The making of that event not just the fight itself but the whole public frenzy that attended it is the subject of Bruce J Evensen s fascinating new book *When Dempsey Fought Tunney* examines the mass media s cultivation of celebrity during the Jazz Age. Evensen shows how Jack Dempsey a Colorado hobo turned heavyweight boxer came to represent in popular iconography the last vestige of the raw pioneering spirit that had tamed the American wilderness. Against the image of Dempsey as noble savage Evensen explains the press and fight promoters cannily contrasted that of Gene Tunney the urbane easterner who seemed to be everything Dempsey was not a scientific fighter all defense and strategy. Dempsey and Tunney thus became in their different ways prime exemplars of the new celebrity culture that emerged during the early twentieth century. Filled with entertaining details about great moments in boxing history the book also traces the journalistic developments such as the rise of the star sportswriter that played a critical role in creating and sustaining public excitement over sporting events. The result is a colorful insightful account of America s appetite for heroes and spectacle as well as of the network of promotion and publicity that nurtures that appetite.

The Called Shot Thomas Wolf, 2020-05-01 In the summer of 1932 at the beginning of the turbulent decade that would remake America baseball fans were treated to one of the most thrilling seasons in the history of the sport. As the nation drifted deeper into the Great Depression and reeled from social unrest baseball was a diversion for a troubled country and yet the world of baseball was marked by the same edginess that pervaded the national scene. On the field fights were as common as double plays. Amid the National League pennant race Cubs shortstop Billy Jurgens was shot by showgirl Violet Popovich in a Chicago hotel room. When the regular season ended the Cubs and Yankees clashed in what would be Babe Ruth s last appearance in the fall classic. After the Cubs lost the first two games in New York the series resumed in Chicago at Wrigley Field with Democratic presidential candidate Franklin Roosevelt cheering for the visiting Yankees from the box seats behind the Yankees dugout. In the top of the fifth inning the game took a historic turn. As Ruth was jeered mercilessly by Cubs players and fans he gestured toward the outfield and then blasted a long home run. After Ruth circled the bases Roosevelt exclaimed Unbelievable. Ruth s homer set off one of baseball s longest running and most intense debates: did Ruth in fact call his famous home run Rich with historical context and detail. *The Called Shot* dramatizes the excitement of a baseball season during one of America s most chaotic summers.
