*When you decide to marry, you choose to allow someone into your personal and professional life. After all, when looking for a life partner, you work with your values and beliefs and a vision to find a particular individual.*

*Further, you can have both negative and positive beliefs. If you have negative ones and are looking for a life partner, your decision will be negatively affected. You won't understand, but your thoughts will lead to your choices.*

*Besides this, when finding a partner with negative beliefs, you will face challenges and be unable to attract good people.*

*In that case, all you need is to **find a life coach** and let them work to eliminate negative beliefs from your unconscious mind. An in-person or **online life coach** can clean your mind from all those thoughts that will stop you from searching for a partner you are made for.*

*Once your mind is cleaned from old beliefs, you are able to see good things and positive vibes.*

sum of everything Some however seem to think that when they discover the means by which something came into existence this is one less thing we need God to explain until we get to that point when we can conclude that nothing produced the ordered sum of everything The fact is that for things to be investigated intelligently they first have to be ordered intelligently Moreover a living being needs to be explained in terms of a living life producing cause a cause that can explain all that we predicate of the life defining nature of their existence We can see the origin meaning and purpose of something in that which it has been ordered to be Therefore it must be dangerously naive for scientists to suppose that living beings were ordered intelligently to reason intelligently by means that has nothing to do with intelligence and that there is no fool so foolish as he who thinks they can be wiser than their creator And as we have been created to be moral beings our creator must of logical necessity be a moral being who has the ability create this ineffable life generating effect in us and this in turn reveals something of His purpose in creating us To claim that all that exists has nothing to do with an intelligent and sufficient cause breaks all the laws of logic and takes us into the domain of farce and us as fools and all to avoid that we are answerable our maker who created us moral beings
