North Carolina's Free People of Color, 1715-1885 Warren Eugene Milteer Jr.,2020-07-01 In *North Carolina's Free People of Color 1715 1885* Warren Eugene Milteer Jr examines the lives of free persons categorized by their communities as negroes mulattoes mustees Indians mixed bloods or simply free people of color From the colonial period through Reconstruction lawmakers passed legislation that curbed the rights and privileges of these non enslaved residents from prohibiting their testimony against whites to barring them from the ballot box While such laws suggest that most white North Carolinians desired to limit the freedoms and civil liberties enjoyed by free people of color Milteer reveals that the two groups often interacted praying together working the same land and occasionally sharing households and starting families Some free people of color also rose to prominence in their communities becoming successful businesspeople and winning the respect of their white neighbors Milteer s innovative study moves beyond depictions of the American South as a region controlled by a strict racial hierarchy He contends that although North Carolinians frequently sorted themselves into races imbued with legal and social entitlements with whites placing themselves above persons of color those efforts regularly clashed with their concurrent recognition of class gender kinship and occupational distinctions Whites often determined the position of free nonwhites by designating them as either valuable or expendable members of society In early North Carolina free people of color of certain statuses enjoyed access to institutions unavailable even to some whites Prior to 1835 for instance some free men of color possessed the right to vote while the law disenfranchised all women white and nonwhite included North Carolina s Free People of Color 1715 1885 demonstrates that conceptions of race were complex and fluid defying easy

characterization Despite the reductive labels often assigned to them by whites free people of color in the state emerged from an array of backgrounds lived widely varied lives and created distinct cultures all of which Milteer suggests allowed them to adjust to and counter ever evolving forms of racial discrimination *Rape & Race in the Nineteenth-century South* Diane Miller Sommerville, 2004 Rape and Race in the Nineteenth Century South **Slavery and Servitude in the Colony of North Carolina (Classic Reprint)** John Spencer Bassett, 2016-09-10 Excerpt from Slavery and Servitude in the Colony of North Carolina Conditions in the South were favorable to slavery Large stretches Of fertile land warm Climate at once congenial to the negroes and enervating to the whites and in some places unhealthy regions where white men did not care to work all these helped to draw slavery to America Planted at first in the Spanish possessions of the West Indies it spread as soon as the mainland was settled along the entire coast from Jamestown both northward and southward The method by which this extension was accomplished is interesting It may be divided for our Purposes into two stages an experimental stage and a stage Of diffusion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
