Slaves Of Obsession:

Slaves of Obsession Anne Perry, 2001 A William Monk novel Slaves and Obsession Anne Perry, 2000 In the American Civil War the opposing armies are desperate for arms A London trader selling weapons to the South faces a moral dilemma when his daughter in love with a Confederate insists he change sides When he is brutally murdered her lover is the immediate suspect William and Hester Monk must bring the pair back from the front line in America to face justice in an Slaves of Obsession Anne Perry, 2011-04-27 The year is 1861 The American Civil War has just begun and London arms dealer Daniel Alberton is becoming a very wealthy man His guiet dinner party seems remote indeed from the passions rending America Yet investigator William Monk and his bride Hester sense growing tensions and barely concealed violence For two of the quests are Americans each vying to buy Alberton's armaments Soon Monk and Hester's forebodings are fulfilled as one member of the party is brutally murdered and two others disappear along with Alberton's entire inventory of weapons As Monk and Hester track the man they believe to be the murderer all the way to Washington D C and the bloody battlefield at Manassas Slaves of Obsession twists and turns like a powder keg fuse and holds the reader breathless and spellbound Slaves and Obsession Anne Perry, 2002 The year is 1861 The American Civil War has just begun and London arms dealer Daniel Alberton is becoming a very wealthy man His quiet dinner party seems remote indeed from the passions rending America Yet investigator William Monk and his bride Hester sense growing tensions and barely concealed violence For two of the guests are Americans each vying to buy Alberton's armaments Soon Monk and Hester's forebodings are fulfilled as one member of the party is brutally murdered and two others disappear along with Alberton's entire inventory of weapons As Monk and Hester track the man they believe to be the murderer all the way to Washington D C and the bloody battlefield at Manassas Slaves of Obsession twists and turns like a powder keg fuse and holds the reader breathless and spellbound The Search for Anne Perry Joanne Drayton, 2016-04-05 Acclaimed literary biographer Joanne Drayton was given unparalleled access to Anne Perry her friends relatives colleagues and archives to complete this book She intersperses the story of her life with an examination of her writing drawing parallels between Perry's own experiences and her characters and storylines The Search for Anne Perry is a gripping account of a life and provides understanding of the girl Anne was the adult she became her compulsion to write and her view of the world The Battle of Negro Fort Matthew J. Clavin, 2021-05-01 The dramatic story of the United States destruction of a free and independent community of fugitive slaves in Spanish Florida In the aftermath of the War of 1812 Major General Andrew Jackson ordered a joint United States army navy expedition into Spanish Florida to destroy a free and independent community of fugitive slaves The result was the Battle of Negro Fort a brutal conflict among hundreds of American troops Indian warriors and black rebels that culminated in the death or re enslavement of nearly all of the fort s inhabitants By eliminating this refuge for fugitive slaves the United States government closed an escape valve that African Americans had utilized for generations At the same time it intensified the

subjugation of southern Native Americans including the Creeks Choctaws and Seminoles Still the battle was significant for another reason as well During its existence Negro Fort was a powerful symbol of black freedom that subverted the racist foundations of an expanding American slave society Its destruction reinforced the nation's growing commitment to slavery while illuminating the extent to which ambivalence over the institution had disappeared since the nation's founding Indeed four decades after declaring that all men were created equal the United States destroyed a fugitive slave community in a foreign territory for the first and only time in its history which accelerated America's transformation into a white republic The Battle of Negro Fort places the violent expansion of slavery where it belongs at the center of the history of the early American republic

A Dangerous Mourning Anne Perry,1992 Inspector Monk returns to the scene of another Victorian era murder mystery when the daughter of an upper crust family is stabbed in her own home

The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question thats begging to be answered is Who is God This devotional evolved out of one persons desire to portray God in a truer light In the Book of Job God reprimanded Jobs friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope youll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what youre all about May you understand Gods love for you The Expositor ,1919 The Million Boxes Of A Heart Lunga Phewa, 2013-08-13 Life has proven to show that we are born explorers We re always searching trying to discover for ourselves who we really are The Million Boxes of a Heart is a journey starting from the outside from how we appear to the inside of ourselves to who we really are It is a walk toward finding inner peace and freedom from the many memories we have forced ourselves into forgetting and memories that still haunts us today The Million Boxes of a Heart is a set of internal compartments that exposes our weaknesses pardon our wrongs and grants us everlasting salvation CAUGHT NEKHEL MOHAN SAHAY, 2019-01-11 I am a writing enthusiast who just loves to express his feelings in black and white My pen name

is Nerala I therefore love to keep people around me happy and so that s the result of being very much extrovert in person I am an assistant software engineer by profession working in 1 of the most reputed MNC s I hail from bihar originally I really love to play with words a lot Its like when I start writing up stuffs then I m totally into some other worlds full of imaginations scrutiny on society and much more And yeah I am a keen interest taker in reading people's characters from their body language which makes me a psychology enthusiast too But this does not mean that I am judgmental I m starting off writing stuffs from grade 9 in a national level of poetry contest from nowhere all of a sudden by my then english teacher This book contains poems from multiple genres like free verse mostly romanticism philosophical tragedy etc To know me more please go through my book titled CAUGHT and all the critics are heartly welcomed I hope you are happy with my work and that I am The Demon Princes, Vol. 1 Jack Vance, 1997-04-15 Kirth Gersen his family and home planet destroyed in the Mount Pleasant Massacre sets out on a mission of revenge to find and eliminate the five Demon Princes responsible Slave against Slave Jeff Forret, 2015-11-16 In the first ever comprehensive analysis of violence between slaves in the antebellum South Jeff Forret challenges persistent notions of slave communities as sites of unwavering harmony and solidarity Though existing scholarship shows that intraracial black violence did not reach high levels until after Reconstruction contemporary records bear witness to its regular presence among enslaved populations Slave against Slave explores the roots of and motivations for such violence and the ways in which slaves masters churches and civil and criminal laws worked to hold it in check Far from focusing on violence alone Forret's work also adds depth to our understanding of morality among the enslaved revealing how slaves sought to prevent violence and punish those who engaged in it Forret mines a vast array of slave narratives slaveholders journals travelers accounts and church and court records from across the South to approximate the prevalence of slave against slave violence prior to the Civil War A diverse range of motives for these conflicts emerges from tensions over status differences to disagreements originating at work and in private to discord relating to the slave economy and the web of debts that slaves owed one another to courtship rivalries marital disputes and adulterous affairs Forret also uncovers the role of explicitly gendered violence in bondpeople's constructions of masculinity and femininity suggesting a system of honor among slaves that would have been familiar to southern white men and women had they cared to acknowledge it Though many generations of scholars have examined violence in the South as perpetrated by and against whites the internal clashes within the slave quarters have remained largely unexplored Forret's analysis of intraracial slave conflicts in the Old South examines narratives of violence in slave communities opening a new line of inquiry The New Friars Scott A. Bessenecker, 2006-09-27 Have you been called by God to into the study of American slavery stick out act out speak out Are you ready to set aside comfort and privilege for meaning and impact Scott Bessenecker profiles young Christians who have done just that making radical commitments to seek justice and mercy among the poor and suffering people of the world Picturing Imperial Power Beth Fowkes Tobin, 1999 An interdisciplinary study of visual
