Klein,Suzanne Miers,2013-05-13 This book brings together a series of new case studies some by young scholars others by widely published authors All are based on original research and designed to enhance our understanding of the process of the abolition of slavery in Africa at the grass roots level Part of the studies are on new areas of interest such as the German colonies and the Algerian Sahara Others throw new light on questions already debated such as emancipation of the Gold Coast Some focus on the impact of abolition on particular groups of slaves such as the royal slaves in Nigeria and concubines in Morocco Among the themes considered is the role of slaves in their own emancipation the short and long term results of abolition the role of the League of Nations and the vestiges of slavery in Africa today      Slave Trades, 1500-1800 Patrick Manning,2016-12-05 The trade in slaves is perhaps the most notorious feature of the era of European expansion Though begun in ancient times and continued well after 1800 in the early modern period there developed a particular nexus in which it boomed This volume distinguishes between procurement and trade and the exploitation of settled slaves the subject of a separate volume in the series edited by Judy Bieber and underscores the importance of the slave trade as a factor in world history A rank redistribution of wealth and power it permitted the exploitation and reconstruction of much of the globe The articles address issues of the volume and flow of trade the various populations enslaved factors of sex age and ethnicity and its impact on economic change as in the monetization of Africa or economic growth in England      **The Anthropology of Slavery** Claude Meillassoux,1991-01-01 This study of the institution and system of slavery was first published in France in 1986 Drawing upon his knowledge of African society Professor Meillassoux provides an analysis of the reproduction of the social order in societies relying heavily on slavery within tribes marauding bands and nations and between the classes and sexes He also examines the rivalry between military and aristocratic groupings and the merchant classes who conducted the slave trade      **The Untold Story Of Slavery** Toleve K. Firmin,2020-05-14 The Untold Story Of Slavery Showcases the missing part that happened during the Atlantic trade in 15th It unveils the essential truth that you are not supposed to see in the regular textbooks Its writer spent more than 10 years to investigate from tribe to tribe to find the unbreakable facts and sayings      **Arabic Literature of Africa, Volume 4** John O. O'Fahey,1994 A guide to the scholarly and literary production of Muslim writers of West Africa other than Nigeria including both biographies of scholars and lists of their writings      Slaves and Slavery in Africa John Ralph Willis,2005-08-12 First Published in 1986 Slavery in Islamic Africa has been a fascinating subject

to which many scholars have referred but of which no detailed monograph has emerged The better part of the essays in these volumes has its ancestry in a conference held at Princeton University during the Summer of 1977 under the title Islamic Africa Slavery and Related Institutions At that international gathering four principal themes dominated discussion the servile estate its genesis and composition the master slave connection and the post servile condition patterns and perspectives of slave trading the legacy of Islamic slavery in Africa to contemporary societies A Labyrinth of Kingdoms: 10,000 Miles through Islamic Africa Steve Kemper, 2012-06-25 Kemper's majestic account of Barth's journey restores the reputation of an explorer who was as passionate about science as he was about rigorous travel It's an enthralling adventure captivantly told Ziauddin Sardar Times London In 1840 Heinrich Barth joined a small British expedition into unexplored regions of Islamic North and Central Africa One by one his companions died but he carried on alone eventually reaching the fabled city of gold Timbuktu His five and a half year 10 000 mile trek ranks among the greatest journeys in the annals of exploration and his discoveries are considered indispensable by modern scholars of Africa In this historical adventure the first book about Barth in English Kemper goes a long way toward rescuing this fascinating figure from obscurity **African Voices on Slavery and the Slave Trade: Volume 1, The Sources** Alice Bellagamba, Sandra E. Greene, Martin A. Klein, 2013-05-13 Though the history of slavery is a central topic for African Atlantic world and world history most of the sources presenting research in this area are European in origin To cast light on African perspectives and on the point of view of enslaved men and women this group of top Africanist scholars has examined both conventional historical sources such as European travel accounts colonial documents court cases and missionary records and less explored sources of information such as folklore oral traditions songs and proverbs life histories collected by missionaries and colonial officials correspondence in Arabic and consular and admiralty interviews with runaway slaves Each source has a short introduction highlighting its significance and orienting the reader This first of two volumes provides students and scholars with a trove of African sources for studying African slavery and the slave trade *Black Morocco* Chouki El Hamel, 2014-02-27 *Black Morocco* A History of Slavery Race and Islam chronicles the experiences identity and achievements of enslaved black people in Morocco from the sixteenth century to the beginning of the twentieth century Chouki El Hamel argues that we cannot rely solely on Islamic ideology as the key to explain social relations and particularly the history of black slavery in the Muslim world for this viewpoint yields an inaccurate historical record of the people institutions and social practices of slavery in Northwest Africa El Hamel focuses on black Moroccans collective experience beginning with their enslavement to serve as the loyal army of the Sultan Isma'il By the time the Sultan died in 1727 they had become a political force making and unmaking rulers well into the nineteenth century The emphasis on the political history of the black army is augmented by a close examination of the continuity of black Moroccan identity through the musical and cultural practices of the Gnawa **A Fistful of Shells** Toby Green, 2019-03-21 By the time the Scramble for Africa among European colonial powers began in the late nineteenth century

Africa had already been globally connected for centuries Its gold had fueled the economies of Europe and the Islamic world for nearly a millennium and the sophisticated kingdoms spanning its west coast had traded with Europeans since the fifteenth century Until at least 1650 this was a trade of equals using a variety of currencies most importantly cowrie shells imported from the Maldives and nzimbu shells imported from Brazil But as the slave trade grew African kingdoms began to lose prominence in the growing global economy We have been living with the effects of this shift ever since With *A Fistful of Shells* Toby Green transforms our view of West and West Central Africa by reconstructing the world of these kingdoms which revolved around trade diplomacy complex religious beliefs and the production of art Green shows how the slave trade led to economic disparities that caused African kingdoms to lose relative political and economic power The concentration of money in the hands of Atlantic elites in and outside these kingdoms brought about a revolutionary nineteenth century in Africa parallel to the upheavals then taking place in Europe and America Yet political fragmentation following the fall of African aristocracies produced radically different results as European colonization took hold Drawing not just on written histories but on archival research in nine countries art oral history archaeology and letters Green lays bare the transformations that have shaped world politics and the global economy since the fifteenth century and paints a new and masterful portrait of West Africa past and present
