Sleeping With Schubert

Jim Barker, Shirley F. Jones

Sleeping With Schubert:

Sleeping with Schubert Bonnie Marson, 2004 When her body is surreptitiously possessed by the spirit of Franz Schubert Brooklyn lawyer Liza Durbin struggles to retain her identity in the wake of her proud parents the media a mysterious elderly fan and the late composer's passions Schubert's Reputation from His Time to Ours Geoffrey Block, 2024-12-30 The composer Franz Schubert 1797-1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert's major instrumental works finally and fully emerged from Beethoven's shadow Critics and scholars began to reinterpret Schubert's departures from Beethoven's formal and stylistic characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert's alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert's approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert's Reputation from His Time to Ours tells the story of how and why this has happened *Schubert's Theater of Song* Mark Ringer, 2009-03 CD enth It 20 Lieder von Schubert

Schubert's Winter Journey Ian Bostridge, 2015-01-27 An exploration of the world's most famous and challenging song cycle Schubert's Winter Journey Winterreise by a leading interpreter of the work who teases out the themes literary historical psychological that weave through the twenty-four songs that make up this legendary masterpiece Completed in the last months of the young Schubert's life Winterreise has come to be considered the single greatest piece of music in the history of Lieder Deceptively laconic these twenty-four short poems set to music for voice and piano are performed uninterrupted in little more than an hour it nonetheless has an emotional depth and power that no music of its kind has ever equaled A young man rejected by his beloved leaves the house where he has been living and walks out into snow and darkness As he wanders away from the village and into the empty countryside he experiences a cascade of emotions loss grief anger and acute loneliness shot through with only fleeting moments of hope until the landscape he inhabits becomes one of alienation and despair Originally intended to be sung to an intimate gathering performances of Winterreise now pack the greatest concert halls around the world Drawing equally on his vast experience performing this work he has sung it more than one hundred times on his musical knowledge and on his training as a scholar Bostridge teases out the enigmas and subtle meanings of each of the twenty-four lyrics to explore for us the world Schubert inhabited his biography and psychological makeup the historical and political pressures within which he became one of the world's greatest composers and the continuing resonances and affinities that our ears still detect today making Schubert's wanderer our mirror The Cambridge Companion to Schubert's 'Winterreise' Marjorie W. Hirsch, Lisa Feurzeig, 2021-02-04 Organized in five parts this Companion enhances understanding of Schubert's Winterreise by approaching it from multiple angles Part I examines the

political cultural and musical environments in which Winterreise was created Part II focuses on the poet Wilhelm Müller his 24 poem cycle Die Winterreise and changes Schubert made to it in fashioning his musical setting Part III illuminates Winterreise by exploring its relation to contemporaneous understandings of psychology and science and early nineteenth century social and political conditions Part IV focuses more directly on the song cycle exploring the listener's identification with the cycle's protagonist text music relations in individual songs Schubert's compositional fingerprints aspects of continuity and discontinuity among the songs and the cycle's relation to German Romanticism Part V concentrates on Winterreise in the nearly two centuries since its completion in 1827 including lyrical and dramatic performance traditions the cycle's influence on later composers and its numerous artistic reworkings Schubert's Late Lieder Susan Youens, 2006-11-02 Schubert's Late Lieder is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1828 Circa late 1822 Schubert was diagnosed with syphilis and many of the songs discussed in this book were written under the seal of impending death It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death haunted works and marked by distinctive variation techniques Youens also introduces six of the poets whose texts Schubert set to music *Romantic Lieder and the Search for Lost Paradise* Marjorie Wing Hirsch, 2007 This book examines the theme of lost paradise in Lieder by nineteenth century composers including Franz Schubert *Schubert's Goethe Settings* Lorraine Byrne Bodley, 2017-07-05 The traditional approach to the study of Goethe and Schubert is to place them in opposition to one another both in terms of their life experiences and in relation to the nineteenth century Lied In her introduction to this book Lorraine Byrne examines the myths that have evolved around these artists and challenges the view that Goethe was unmusical and conservative in his musical tastes She also considers Schubert's life in relation to his obvious affinity with the poet and links the composer's Goethe settings with the poet's perception of the Lied Goethe judged the success of a setting by whether the meaning of the text had been realised in musical form In his Goethe settings Schubert translates the poet's meaning into musical terms and his rendition attains the classical unity of words and music that Goethe sought The core of this volume is the series of individual analyses of all of Schubert's solo dramatic and multi voice settings of Goethe texts These explore in detail both the literary and the musical dimensions of each work and Schubert's reading and interpretation of Goethe's writings This is the first study in English to treat both artists with equal attention and insight This together with its encyclopaedic coverage of this important corpus of works makes this volume an essential reference tool for all those who study Schubert and Goethe **Musical times and singing-class circular**, 1886 *Music, Narrative and the Moving Image*, 2019-05-15 In extending the traditional field of Word and Music Studies to include research on film and other forms of moving visualizations this volume focuses on innovative discussions of artistic works showing relationships between three individual communicative media This trifocal interdisciplinary perspective is reflected in seventeen essays that cover the historical space from the 19th to the 21st

centuries and discuss a wide variety of individual genres in the represented media These range from Parisian cabaret to revolutionary Peking opera from silent film to Holocaust narration from documentary propaganda movies to opera film interludes and more The investigation of historical cases is broadened by reflections on theoretical and functional issues primarily in film music which show a remarkable breadth of technical and perceptual varieties The essays here collected are of relevance to scholars and students of film studies musicology and literature as well as readers generally interested in Intermediality Studies

Schubert's Song Sets Michael Hall, 2017-11-22 This title was first published in 2003 From 1821 until his death Schubert compiled or specially composed for publication 42 song sets yet during his own lifetime and until now their integrity and importance as sets have been virtually ignored In this book Michael Hall asserts that these songs sets are not arbitrary collections as so often assumed but highly integrated works in their own right Approaching these songs as sets the book throws light on Schubert s largely undiscussed intellectual preoccupations They reveal that he was au fait with most of the philosophical concerns of his time especially those which touched on Romanticism But although the sets reflect Romanticism in their topics Hall maintains that they are the epitome of classical balance In encouraging students and performers to approach these songs as sets this study aims to alter perceptions of this important repertory

Sleeping With Schubert Introduction

In today's digital age, the availability of Sleeping With Schubert books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sleeping With Schubert books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sleeping With Schubert books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sleeping With Schubert versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sleeping With Schubert books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sleeping With Schubert books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sleeping With Schubert books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sleeping With Schubert books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sleeping With Schubert books and manuals for download and embark on your journey of knowledge?
