Conversations with my Son TerryAnn Fisher and Troy Michaels, 2010-07-13 A READER REVIEW AWESOME That is the only way I can describe your book but I have to explain It was hard to put down I did not cry all the way through either There were times the tears welled up but I did not need the box of Kleenex I did not find it depressing either You were so very lucky to have that precious time I do not get books often that hold me like this one It was very well written I hope that is a compliment since I'm not a critic Even though I knew what the end was going to be the suspense was still there I can't explain it but it was like the book had a hold on me I could visualize the house even though I have never been there including the cow in the yard I could even visualize your husband leaving for work and just being there Troy's image changed as he got sicker I wish I would have known Troy It would have been an honor To care for a terminally ill person is a commitment and one you never forget But it does make you reflect on the good times shared I can go on and on but to sum it up It is a GREAT book I think everyone should read it
