## **Sligoleitrim World Of Kate Cullen 18321913:**

*The Sligo-Leitrim World of Kate Cullen, 1832-1913* Hilary Pyle, 1997 From the journals and memoirs of Catherine Theresa Cullen mother of the poet Susan L Mitchell In this work we glimpse the close knit life of Protestant Ireland a society absorbed in its own triumphs and misfortunes in its religion and fashions and yet conscious that at that moment history was being made Back cover Social change and everyday life in Ireland, 1850-1922 Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader *Historical Dictionary of Ireland* Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland **Frances Power Cobbe** Sally Mitchell, 2004 An accessible narrative biography Frances Power Cobbe traces the details of Cobbe s life and work analyzes her writing and sets both in the context of the social and intellectual debates of her time Ireland of the Welcomes , 1998 **An Introduction to the Architectural Heritage of County Leitrim** Ireland. Department of the Environment, Heritage and Local Government, Ireland. Department of the Environment and Local Government, Ireland. National Inventory of Architectural Heritage, 2004 Charles Dickens's Ireland Charles Dickens, Jim Cooke (M. Litt.), 1999 **Female Activists** Mary Cullen, Maria Luddy, 2001 *The Church of Ireland in Victorian Dublin* John Crawford, 2005 The Church of Ireland has

received a considerable amount of attention recently from nineteenth century historians but few have looked at it from the perspective of the local community as has been the case with recent work by historians in Britain This study of the church in Victorian Dublin begins with a survey of the development of the parishes and the building of churches It examines the devotional life and pastoral concerns of the laity and the clergy and their changing roles An analysis of churchgoing trends is included and comparison is made with trends in England and Scotland The study includes developments in church architecture the layout of church buildings and the content of church services This is set in the context of the demographic changes and the overall decline in the church's population in Dublin While the study addresses the religious rivalry which existed between Catholics and Protestants it also includes consideration of the laity's role in the management of the day to day life of the local church community The social and educational backgrounds of the clergy are discussed and an account is given of their training and the changing process by which they were appointed to parishes The study suggests that trends in the Church of Ireland in Dublin at the time were not dissimilar to the Church of England and both churches experienced a religious boom in the period However disestablishment in 1870 and the church's minority status gave the Church of Ireland a distinctive social and religious flavour

Red-headed Rebel Hilary Pyle, 1998 Poet and mystic of the Irish cultural renaissance of the early 20th century Susan Mitchell was a friend of Lily Yeats Constance Markiewicz and Seamas O Sullivan Her name was linked in Dublin with that of painter and mystic AE Raised by her unionist aunts in Dublin she rebelled against the privileged Protestant society in which she was reared to become a journalist on Plunkett's far sighted publications The Irish Homestead and The Irish Statesman at a time when Home Rule was imminent Objective despite her Republican views she lampooned contemporary politics and the literary world alike Her satirical commentary provides essential reading for a background to the present situation in Northern Ireland

Royal Roots, Republican Inheritance Susan Hood, 2002 This is the absorbing story of the Office of Arms Ireland's heraldic authority and the oldest Office of State Founded in 1552 and derived from an earlier medieval heraldry based on the traditions of sovereigns and members of the nobility today the Office has a much wider relevance providing heraldic services for Irish people and institutions throughout the world This book is the history of its remarkable survival during the last 150 years when it bridged the transition from Crown Government to Republican State
