Hymel,2023-04-07 Winner of the 2023 Army Historical Foundation Distinguished Writing Award for Biography This second of three volumes of Patton s War picks up where the first one left off examining General George S Patton s leadership of the U S Third Army The book follows Patton s contributions to both the Normandy and Brittany campaigns the closing of the Falaise Pocket in Normandy and racing to the port cities in Brittany It ends with Patton and his corps rescuing the besieged town of Bastogne in the Battle of the Bulge As he did in the preceding volume Hymel relies not only on Patton s diaries and letters but countless veteran interviews surveys and memoirs He also provides a unique insight missed by previous Patton scholars Instead of using Patton s transcribed diaries which were heavily edited and embellished he consults Patton s original hand written diaries to uncover previously unknown information about the general This second volume of Hymel s groundbreaking work shows Patton at the height of his generalship successfully leading his army without the mistakes and caustic behavior that almost got him sent home earlier even if we also see a Patton still guided at times by racism and antisemitism *The regional travel guide for Grevenmacher (Luxembourg)* ,2025-09-24 , The Californian ,1881 *The adventures of mr.
