Historical Dictionary of New Zealand Janine Hayward, Richard Shaw, Lara Greaves, Claire Timperley, 2024-11-19 The Historical Dictionary of New Zealand Fourth Edition provides a broad introduction to New Zealand as well as rich detail about the people events laws concepts and institutions that have shaped New Zealand history This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about New Zealand *Sociologies of New Zealand* Charles Crothers, 2018-04-13 This book provides the first comprehensive analysis of the various sociologies of New Zealand from the late 19th century to the present day Opening with previously undocumented insights into the history of proto sociology in New Zealand the book then explores the parallel stories of the discipline both as a mainstream subject in Sociology departments and as a more diffuse sociology within other university units The rise and fall of departments specialties and research networks is plotted and the ways in which external and internal factors have shaped these is explained Different generations of sociologists including many immigrants are each shown to have left their unique mark on New Zealand sociology The author demonstrates that the rising interest in topics specific to New Zealand has been accompanied by increasing capacities to contribute to world sociology This book will have inter disciplinary appeal across the social sciences and provides a valuable study of the development of sociology in a semi peripheral country *Matters of the Heart* Angela Wanhalla, 2014-01-01 From whalers and traders marrying into Maori families in the early 19th century to the growth of interracial marriages in the later 20th *Matters of the Heart* unravels the long history of interracial relationships in New Zealand It encompasses common law marriages and Maori customary marriages alongside formal arrangements recognized by church and state and shows how public policy and private life were woven together It also explores the gamut of official reactions from condemnation of interracial immorality or racial treason to celebration of New Zealand s unique intermarriage patterns as a sign of its progressive attitude toward race relations This social history focuses on the lives and experiences of real Maori and Pakeha people and reveals New Zealand s changing attitudes to race marriage and intimacy *Mother's Taxi* Shona M. Thompson, 1999-01-01 *Mother's Taxi* is a detailed study of how women facilitate and service the sport played by others particularly their immediate family members It illustrates how domestic labor and childcare done by women provides the space for others to participate in sport contributing directly to individual sporting careers and generally servicing sport as an institution It offers important considerations for studies of sport leisure and gender relations by highlighting an aspect of women s relationships to sport which has been largely ignored *Changing Times* Jenny Carlyon, Diana Morrow, 2014-02-01 From the golden weather of postwar economic growth through the globalization economic challenges and protest of the 1960s and 1970s to the free market revolution and new immigrants of the 1980s and 1990s and

beyond this account the most complete and comprehensive history of New Zealand since 1945 illustrates the chronological and social history of the country with the engaging stories of real individuals and their experiences Leading historians Jennifer Carlyon and Diana Morrow discuss in great depth New Zealand's move toward nuclear free status its embrace of a small state free market ideology and the seeming rejection of its citizens of a society known for the worship of averages Stories of pirate radio in Auckland's Hauraki Gulf the first DC8 jets landing at Mangere airport feminists liberating pubs public protests over the closing of post offices and indigenous language nests vividly demonstrate how a postwar society famous around the world for its dull conformity became one of the most ethnically economically and socially diverse countries on earth The New Zealand Official Year-book New Zealand.
