Song Of The Warrior:

Warrior's Song Thomas M. Hill, 2011-04-15 Parker Shaw a political philosophy major at the University of Virginia tries to figure out what to do with his life His father wants him to study law Parker has a strange dream which sends him on a seeker's path Curiosity takes him and his buddy Sam on a road trip to the American Southwest where he meets an eerily familiar Indian man When he returns to school to complete his final year is it fate or a strange confluence of events that finds him near the Pentagon on September 11 2001 This is the first novel in a four part series which is a thought provoking and at times satirical inquiry into the roots of modern American identity and the ageless tension between rationality and spirituality

Warrior's Song P.E. Padilla, Allies and assassins Against the odds Aeden and his friends survived the assault on the animaru stronghold More the former enemy commander Khrashti has joined them in their fight Things might be looking up But new dangers are revealed including a powerful human mage who is creating portals so more of the dark creatures can enter the world Great numbers of animaru a group of highly skilled assassins with orders to kill Aeden and his friends and an old magic that marks the group so the enemies can more easily find them are only part of the danger All this and Aeden is still trying to wrestle his magic under control If there was any time for him to go to the Hero Academy for magical training now would be it Unfortunately the way is blocked The heroes race to keep ahead of their would be killers hatching a daring plan to escape to the north to the Academy at Sitor Kanda If they can't make it the world may yet be inundated with dark monsters bent on destroying all light and life Click now to get book two in the Song of Prophecy series and join Aeden and his allies as they try first to escape death itself and then to make it to the center of magical power in the world their last hope in heading off the invasion before it's too late
