The Rhetorical Power of Popular Culture Deanna D. Sellnow, Thomas G. Endres, 2024-01-25 Can television shows like Stranger Things popular music by performers like Taylor Swift advertisements for products like Samuel Adams beer and films such as The Hunger Games help us understand rhetorical theory and criticism The Fourth Edition of The Rhetorical Power of Popular Culture offers students a step by step introduction to rhetorical theory and criticism by focusing on the powerful role popular culture plays in persuading us as to what to believe and how to behave In every chapter students are introduced to rhetorical theories presented with current examples from popular culture that relate to the theory and guided through demonstrations about how to describe interpret and evaluate popular culture texts through rhetorical analysis Authors Deanna Sellnow and Thomas Endres provide sample student essays in every chapter to demonstrate rhetorical criticism in practice This edition s easy to understand approach

and range of popular culture examples help students apply rhetorical theory and criticism to their own lives and assigned work

World Peace Alex J. Bellamy, 2019-09-12 For as long as there has been war there have been demands for its elimination The quest for world peace has excited and eluded political leaders philosophers religious elders activists and artists for millennia With war on the rise once again we rarely reflect on what world peace might look like much less on how it might be achieved World Peace aims to change all that and show that world peace is possible Because the motives rationales and impulses that give rise to war the quest for survival enrichment solidarity and glory are now better satisfied through peaceful means war is an increasingly anachronistic practice more likely to impoverish and harm us humans than satisfy and protect us This book shows that we already have many of the institutions and practices needed to make peace possible and sets out an agenda for building world peace In the immediate term it shows how steps to strengthen compliance with international law improve collective action such as international peacekeeping and peacebuilding better regulate the flow of arms and hold individuals legally accountable for acts of aggression or atrocity crimes can make our world more peaceful It also shows how in the long term building strong and legitimate states that protect the rights and secure the livelihoods of their people gender equal societies and protecting the right of individuals to opt out of wars has the potential to establish and sustain world peace But it will only happen if individuals organize to make it happen
