Orangutan Colin Broderick, 2009-12-29 Few people who have been slave to an addiction as vicious as destructive and as unrelenting as Colin Broderick's have lived to tell their tale Fewer still have emerged from the darkest depths of alcoholism from the perpetual fistfights and muggings car crashes and blackouts to tell the harrowing truth about the modern Irish immigrant experience Orangutan is the story of a generation of young men and women in search of identity in a foreign land both in love with and at odds with the country they've made their home So much more than just another memoir about battling addiction Orangutan is an odyssey across the unforgiving terrain of 1980s 90s and post 9 11 America Whether he is languishing in the boozy squalor of the Bronx coke fueled and manic in the streets of Manhattan chasing Hunter S Thompson's American Dream from San Francisco to the desert or turning the South into his beer soaked playground Broderick plainly and unflinchingly charts what it means to be Irish in America and how the grips of heritage can destroy a man's soul But brutal though Orangutan may be it is ultimately a story of hope and redemption it is the story of an Irish drunk unlike any you've met before

**The Irish Voice in America** Charles Fanning, 2014-07-11 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience

The Publishers Weekly, 2000 **This Side of Brightness** Colum McCann, 2013-06-25 From the author of Songdogs a magnificent work of imagination and history set in the tunnels of New York City In the early years of the century Nathan Walker leaves his native Georgia for New York City and the most dangerous job in America A sandhog he burrows beneath the East River digging the tunnel that will carry trains from Brooklyn to Manhattan Above ground the sandhogs black white Irish Italian keep their distance from each other until a spectacular accident welds a bond between Walker and his fellow diggers a bond that will bless and curse the next three generations Years later Treefrog a homeless man driven below by a shameful secret endures a punishing winter in his subway nest In tones ranging from bleak to disturbingly funny Treefrog recounts his strategies of survival killing rats

scavenging for discarded soda cans washing in the snow Between Nathan Walker and Treefrog stretch seventy years of ill fated loves and unintended crimes In a triumph of plotting the two stories fuse to form a tale of family race and redemption that is as bold and fabulous as New York City itself In This Side of Brightness Colum McCann confirms his place in the front ranks of modern writers **The Boston Globe Index**, 1995 **"Blighted Beginnings"** Jonathan Bolton, 2010 This book also looks at how authors have persistently used the bildungsroman to complicate and challenge the idealization of the family exposing the divorce ban as symptomatic of an unrealistic notion of domestic inviolability This study concludes with a discussion of the future of the bildungsroman in a country that has transcended many of its formative crises This chapter considers Doyle's A Star Called Henry as a text that inaugurates a new phase in Irish coming of age narratives in which many of the problems of Irish life formerly treated so earnestly and tragically can be a source of play and humor By looking at a comprehensive range of novels by writers like Sean O Faolain Elizabeth Bowen Edna O'Brien and William Trevor as well as lesser known figures like Eimar O Duffy Francis MacManus and Mary Morrissy Blighted Beginnings traces the evolving concerns of Irish writers as they pushed for a greater accommodation of individual freedoms and aspirations **BOOK JACKET**

*The Irish Expatriate Novel in Late Capitalist Globalization* Joe Cleary, Joseph N. Cleary, 2021-11-11 The first monograph length study of Irish expatriate fiction in an era of transition from American to East Asian global hegemony **Songdog Diary** Michael Wallis, Suzanne Fitzgerald Wallis, 1996 After a lifetime of following Route 66 and the other trails that crisscross the great American West best selling authors Michael Wallis Route 66 The Mother Road and Suzanne Fitzgerald Wallis have accumulated a wealth of stories *Post Celtic Tiger Landscapes in Irish Fiction* Marie Mianowski, 2016-11-03 This volume discusses place and landscape in Irish fiction since 2008 including work by William Trevor Dermot Bolger Anne Enright Donal Ryan Claire Kilroy Kevin Barry Gerard Donovan Danielle McLaughlin Trisha McKinney Billy O'Callaghan and Colum McCann In light of writing by geographers anthropologists and philosophers like Doreen Massey Tim Ingold Giorgio Agamben and Jeff Malpas this book examines metamorphoses of place and landscape in fiction in the aftermath of a crisis with deep economic and cultural consequences It shows what place and landscape representations reveal of the past and how boundedness openness and emergence can contribute to designing future landscapes *Wallace Stevens and the Contemporary Irish Novel* Ian Tan, 2023-12-22 Wallace Stevens and the Contemporary Irish Novel is a major contribution to the study of the literary influence of the American modernist poet Wallace Stevens Stevens's lifelong poetic quest for order and the championing of the creative affordances of the imagination finds compelling articulation in the positioning of the Irish novel as a response to larger legacies of Anglo American modernism and how aesthetic reimagining can be possible in the aftermath of the destruction of certainties and literary tradition heralded by postmodern practice and metatextual consciousness It is this book's argument that intertextual influences flowing from Stevens's poetry towards the vitality of the novelistic imagination enact robust dialectical exchanges between existential chaos and artistic order contemporary form and

poetic precursors Through readings of novels by important contemporary Irish novelists John Banville Colum McCann Ed O  
Loughlin Iris Murdoch and Emma Donoghue this book contemporizes Stevens s literary influence with refence to novelistic  
style themes and thematic preoccupations that stake the claim for the international status of the contemporary Irish novel as  
it shapes a new understanding of world literature as exchange between national languages cultures and alternative  
formulations of aesthetic modernity as continuing project
