Sirchio,2012-08-30 Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations Sometimes the songs are downright offensive theologically to the pastor Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement Sometimes the pastors feel that most of these new songs lack substance that theyre too sugary too individualistic and too other worldly Sometimes theres an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesnt feel authentic in a traditional or mainline congregation Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs Or maybe you didnt fully understand some of the terms I just used If so dont worry thats why I wrote this book If you have no idea what things like penal substitutionary atonement or inclusive language are about this book will help you understand what these terms mean and why its important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation And I promise Ill do my best to use down to earth language that youll be able to easily understand without a seminary education **Favorite Sacred Songs for Children** ,2000-04 At last Here s a collection that includes ALL of the sacred songs that you learned and loved as a child arranged in fresh new arrangements for unison voices and keyboard chord symbols included The first 10 songs focus on famous Bible characters such as Abraham Jonah and Zacchaeus The final 10 songs are arranged in 5 thematically related pairs great for performance in chapel worship Christian school programs and vacation Bible school Many songs include optional movement speech song story enactment and vocal descants that are great for teaching part singing A real budget saver this dynamic collection features REPRODUCIBLE lyric activity sheets included right in the Songbook Save even more when you buy the specially price book CD kit **Classical Vocal Music in Print** F.
