M. MACKNEY,1860 Ancestral Power Lynne Hume,2013-05-31 The Dreaming or the Dreamtime is the English translation of a complex Aboriginal religious concept It relates to the idea of an ancestral presence which exists as a spiritual power that is deeply present in the land This presence or power also exists in certain paintings in some dance performances and in songs blood and ceremonial objects In Ancestral Power Lynne Hume seeks to further our understanding of human consciousness by looking through a Western lens at the concept of the Dreaming She examines the idea that Aboriginal people may have used certain techniques for entering altered states of consciousness Could their experiences in such states together with their extensive knowledge of their environment have helped to create the cosmological scheme we call the Dreaming With these questions in mind she brings together and examines for the first time a wide range of existing literature on Aboriginal cosmology and spiritual practices together with studies of Aboriginal art data from anthropologists and ethnomusicologists and statements by Aboriginal people from many different regional areas of Australia Much of the information she highlights is little known Ancestral Power suggests that Aboriginal spirituality is much more complex and compelling than the early missionaries could ever have imagined Music Lovers' Phonograph Monthly Review ,1927 **Jim Morrison & The Doors Concerts, Rehearsals, Videos and Songs 1965 - 1972** Marco Durzu,2025-08-07 This book is dedicated to and wants to honor the MUSIC of JIM MORRISON Complete list of Jim Morrison Added for completeness of information are the songs that Jim Morrison 26 07 1997 17 09 2008 to 01 10 2012 86 Shows Statistical Table relating to all the information reported in this book I want to thank with my heart and soul Jim Morrison The Doors like Jim said I m the Lizard King I can do everything Enjoy reading Edition 1 1 **Hearings** United States.
