Songs Meditations:

Twelve Meditations and Twelve Spiritual Songs on the Twenty-third Psalm James Paton, 1870 *Twelve Meditations and twelve Spiritual Songs on the Twenty-Third Psalm. By James Paton. [With the text.]*, 1870 Meditations on the Song of Songs. Edited by the Rev. G. C. White. [With the Text.], 1874 *Meditations on the Song of Solomon* Andrew Miller, 2015-02-20 Note from the author As the following Meditations were more the expression of my feelings than any attempt at exposition when they were written I have not thought it right to alter a single word in a second edition As such they remain as a memorial of my experience at that time And I can truly thank the Lord for any measure of communion with Him that is traceable in these pages That He may continue to bless the little book to many precious souls is my most earnest prayer A M London *Meditations on the Song of Solomon* Andrew MILLER (One of the Plymouth Brethren.), 1865 *A Companion to the Song of Songs in the History of Spirituality* Timothy Robinson, 2021-07-05 As one of the most frequently commented on biblical books during antiquity and the middle ages the Song of Songs has played a central role in the history of Christian spirituality At a time of heightened interest in the Song of Songs among biblical scholars historians and students of spirituality this Companion to the Song of Songs in the History of Spirituality provides a state of the art overview of its history challenges some conventional wisdom and presents innovative studies of some lesser known aspects of the Song s reception The essays in this volume including a chapter on Jewish interpretation present the diverse forms of spirituality inspired by the Song since the beginning of the Christian era Contributors Ann W Astell Mark S Burrows Emily Cain Catherine Cavadini Rabia Gregory Arthur Holder Jason Kalman Suzanne LaVere Hannah Matis Bernard McGinn Timothy H Robinson and Karl Shuve The Song of Songs Ilana Pardes, 2019-08-13 An essential history of the greatest love poem ever written The Song of Songs has been embraced for centuries as the ultimate song of love But the kind of love readers have found in this ancient poem is strikingly varied Ilana Pardes invites us to explore the dramatic shift from readings of the Song as a poem on divine love to celebrations of its exuberant account of human love With a refreshingly nuanced approach she reveals how allegorical and literal interpretations are inextricably intertwined in the Song s tumultuous life The body in all its aspects pleasure and pain even erotic fervor is key to many allegorical commentaries And although the literal sensual Song thrives in modernity allegory has not disappeared New modes of allegory have emerged in modern settings from the literary and the scholarly to the communal Offering rare insights into the story of this remarkable poem Pardes traces a diverse line of passionate readers She looks at Jewish and Christian interpreters of late antiquity who were engaged in disputes over the Song s allegorical meaning at medieval Hebrew poets who introduced it into the opulent world of courtly banquets and at kabbalists who used it as a springboard to the celestial spheres She shows how feminist critics have marveled at the Song s egalitarian representation of courtship and how it became a song of America for Walt Whitman Herman Melville and Toni Morrison Throughout these explorations of the Song s reception Pardes highlights the unparalleled beauty of its audacious
