A Feminist Interpretation of the Galician-Portuguese Cantigas de Amigo Maria Lima Schantz, 2004 The cantigas de amigo were love poems of the thirteenth and fourteenth century courts of Portugal and Galicia in which women expressed their most intimate longings for their lovers Although tradition makes male troubadours the authors and males the objects of desire there is reason to believe that at least the earliest may have had female authorship and some of the objects may also have been female Schantz Spanish DeSales U explores these possibilities along with the incidence of patriarchy and even misogyny she finds as well as the prevalence of the female voice in these love poems that were in direct defiance of male authority She includes responses to the poetry by critics and a very interesting take on the confinements of courtly love Annotation 2004 Book News Inc Portland OR booknews com
