M. The Cappadocian Mothers Carla D. Sunberg, 2018-01-01 The Cappadocian Fathers had great influence on the church of the fourth century having brought their passion for Christ and theological expertise to life in their ministry Their work was not devoid of influence including that of their immediate family members Within their writings we uncover the lives of seven women the Cappadocian Mothers who may have had more influence on the theology of the church than previously believed As the Cappadocians wrestle with the Christianization of the concept of deification we find the women in their lives becoming models for their theological understanding The lives of the women become points of intersection in the kenosis theosis parabola Not only are the Cappadocian Mothers uncovered in the texts but they become models of an optimistic theology of restoration for all of humanity without constraint of gender *A Journey to the High Places* Christopher Felix

Bezzina, 2012-12-24 Since his existence the human being has explored various ways in his quest for God Part of this search is related to humanity's yearning for true harmony and joy in the world Christian spirituality as a unique spirituality one encounters today imparts various ways one can respond to this longing One of these ways is through allegorical narratives Specifically this study analyzes the spirituality of Hannah Hurnard 1905-1990 by intertextually perusing her most famous allegorical narrative *Hinds Feet on High Places* *A Journey to the High Places* is divided into four chapters In chapter 1 the allegorical narrative is subjectively considered in all its aspects and the central themes are expressed without any reference to other secondary connections Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard published These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative Thus chapter 2 presents an intertextual analysis between her other publications and *Hinds Feet on High Places* Likewise chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative in the hope of showing her biblical interpretations Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4 presenting a consistent spirituality In presenting the themes one notes that the strong points and weaknesses of Hannah's spirituality are related to other Christian spiritual traditions In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality **The**

Journey of Desire John Eldredge, 2000-03-06 Sometimes it seems we just can't get what we want Circumstances thwart our best laid plans We struggle to live a heartfelt life Worst of all says Eldredge the modern church mistakenly teaches its people to kill desire calling it sin and replace it with duty or obligation calling it sanctification As a result at best Christians tend to live safe boring lives of resignation At worst their desire eventually breaks out in destructive ways such as substance abuse affairs and pornography addictions In *The Journey of Desire* Eldredge invites readers to rediscover God given desire and to search again for the life they once dreamed of **The Sacred Journey** Brian Simmons, 2015-10-01 To some the Song of Songs is a simple love story of a man and a maiden But for those with enlightened hearts it becomes the key that unlocks the
