Contemporary Wars and Conflicts over Land and Water in Africa Carlson Anyangwe, 2022-08-08 Contemporary Wars and Conflicts over Land and Water in Africa highlights Africa s tragedy of endless conflicts Rich in case studies it examines violent conflicts and Africa s approaches to conflict resolution The case studies show that Africa continues to be a chronically unstable space tormented especially by frequent and devastating civil wars of which ethnicity religion and bad governance are some of the root causes These conflicts have occasioned massive human rights abuses arrested development reversed or slowed economic growth created a vicious circle of instability and hunger and exacerbated levels of poverty and disease in the continent In the final part of this book Carlson Anyangwe considers indigenous mechanisms for settling disputes post conflict transitional justice systems and the African Union conflict resolution mechanism that relies as it does on the United Nations peace and security framework and the peace and security functions of the African regional economic organizations

West African Studies Cross-border Co-operation and Policy Networks in West Africa OECD, Sahel and West Africa Club, 2017-01-13 This report examines the co operation potential of West African regions the structure of cross border policy networks and the spatial vision that policy makers have of cross border co operation *The Statesman's Yearbook 2023* Palgrave Macmillan, 2023-01-04 Now in its 159th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural

aspects the Yearbook is also available online for subscribing institutions Nation-states and the Challenges of Regional Integration in West Africa Joseph Saye Guannu,2010 International Handbook on Gender and Demographic Processes Nancy E. Riley,Jan Brunson,2018-05-02 This handbook presents a comprehensive and up to date overview of gender in demography addressing the many different influences of gender that arise from or influence demographic processes It collects in one volume the key issues and perspectives in this area whereby demography is broadly defined The purpose in casting a wide net is to cover the range of work being done within demography but at the same time to open up our perspectives to neighboring fields to encourage better conversations around these issues The chapters in this handbook carefully document definition and measurement issues and take up parts of the demographic picture and focus on how gender plays a role in outcomes In other cases gender often plays a cross cutting role in social processes rather than having a single or easily distinguishable role it often combines with other social institutions and even other statuses and inequalities to affect outcomes Thus a key factor in this volume is how gender interacts with race ethnicity class nationality and sexuality in any demographic setting While each section contains chapters that are broad overviews of the current state of knowledge and behavior the handbook also includes chapters that focus on specific cultures or events in order to examine how gender operates in a particular circumstance **The World Factbook** ,2005 *The Linguasphere Register of the World's Languages and Speech Communities* David Barrett,Michael Mann,1999 Hunki gyen di dunya - 277.
