Sonoma And Mendocino:

Hidden Wine Country Marty Olmstead, 2004 There s much more to wine country than tours of wineries parks bed and breakfasts hot spring spas ballooning bike adventures and historic spots are just a smattering of what is covered in Hidden Wine Country Illustrations maps **California's Wine Country - Sonoma & Mendocino** Lisa Manterfield, 2013 Picture rolling hills with long rows of vineyards trailing off into the distance Imagine the early morning sun filtering through a low veil of mist Think of historic stone buildings perched on hillsides overlooking the valley below and you can form a picture of Wine Country No matter where you re visiting from Wine Country has the ability to transport you for however long you re staying to a bucolic world where exceptional wine flows freely and world class cuisine is the expected norm It s almost impossible not to relax and unwind here Even if you don t come for the wine and the food Wine Country has something to offer almost every visitor If you re an outdoor type you ll find beautiful state parks for hiking biking and nature watching or you can take to the water and paddle your way down scenic rivers If history is more your thing you ll know that the region played an important role in the history of California and you ll find several historic sites to visit And if you just want to relax and indulge in some personal spoiling Wine Country has spas luxury hotels limousine tours and boutique shopping More than a dozen counties throughout California produce wine but the North Coast region is by far the best known Four counties make up this region Napa Sonoma Mendocino and Lake Of these Napa or more accurately the Napa Valley is the most famous Consequently it s the busiest and most commercialized of the regions but it shouldn t be missed It s a relatively compact region so it s easy to plan a tasting route You ll find excellent restaurants and a broad range of accommodations from luxury resorts to homey B and B s Many famous winemakers call Napa Valley home and you can still find undiscovered gems in small boutique wineries all around the valley North Coast winemaking began in Sonoma County and this region has managed to maintain much of its country living feel The wineries here are spread over several areas so your route may take a little more planning but it s easy to find both major producers and small family run operations Sonoma may not have the glitz of Napa but its wines rival any Aside from wine and food Sonoma also offers plenty of activities for visitors You can visit the Russian River redwoods and of course the stunning Sonoma Coast Mendocino County sits just north of Sonoma County and seems almost to have shunned the tourist industry Not that visitors aren t made welcome Tasting rooms are friendly and seldom crowded and you ll find little pretentiousness here You will however find good food and wonderful wines in fact several renowned Napa Valley winemakers also own wineries in the region There are fewer accommodations in this region and some visitors opt to stay in northern Sonoma County or on the stunning Mendocino Coast and drive into the Anderson Valley and other Mendocino wine regions This guide focusses primarily on the Sonoma and Mendocino Counties The Napa Valley wineries are covered in another eBook by Lisa Manterfield California s Wine Country The Napa Valley **Escape to the Wine Country** Thom Elkjer, 2002 Fodor s Escape to the Wine Country will inspire and guide you as you plan your tour of

Northern California's wine country Visit a 19th century mission town balloon over vineyards or stroll through exotic gardens Each of the 18 experiences and sights it highlights are illustrated in 130 luscious full color photographs The planning section tells you all about costs lodging options how to get there and more and a detailed map shows you what's where Escape to the Wine Country is lovely enough to treasure as a dream book yet durable enough to withstand the rigors of travel so keep this book by your bedside to sweeten your dreams or pop it into your tote bag when you hit the road And get ready for the trip of a lifetime **A Silvicultural Description of Sonoma and Mendocino Counties, California** Paul D.
