*Video Verite and Other Stories* William Petrick, 2010 In our media saturated world the line between reality and fiction has grown thinner and more confusing With sharp clear prose and an insider's view of the media Petrick's stories take us into a hall of mirrors where men and women struggle to understand themselves and their relationships with one another In a climate defined by images does love stand a chance when no one is certain what is real In the title story an accomplished skydiver goes airborne with a video camera to capture the love of his life but a small oversight upends his best intentions In Sins of the Father a man arriving in Huntsville Texas to commute his son's death sentence clashes with a documentary producer intent on chasing the story to its bitter end In Telling Time a corporate video producer conflicted by his own immoral conduct learns that sometimes the absolute truth is the most effective lie      *The Woman Who Rode Away and Other*

*Goodbye My Love and Other Stories* Marcus A. Stockton,2017-11-16 There are two ways that a person can walk in this life You can either walk into your blessing or walk into your curse How can you do that You can do that by doing things that are natural for you to do Success at anything is not by chance or by luck It is seeing things you have already been doing brought to fruition Therefore successful people are not surprised by their success They actually knew it would happen before it happened The blessing is the reward for a life of integrity and commitment to achieving goals and setting standards What is the curse It is all the negatives that we curse our lives with the negative friends the negative conversations the negative situations An unsuccessful person who continues to put himself or herself in those situations in those conversations and around those people will bring a curse to their lives that they will never be able to shake I am grateful for the friends and the relationships that I have been blessed with in my life They have helped me to overcome all the obstacles of life And that is what any man needs incarcerated or freepeople who believe in him when no one else in the world does
