God wants sons and daughters in His church He is such a good Father He wants the best for His children He never intended for us to become His perfect children alone He gave us a helper a counselor a guide to lead the way This helper from the Lord wants to make His home inside of us When you become a Christian the Holy Spirit comes to live inside of you As a teacher comforter and counselor He lovingly helps us to hear and respond to Him He releases Christ s nature within us He empowers us to minister to our family neighbors and to the community As you yield to His presence His will be perfected in you Chosen Sons and Daughters of God will lead you on a journey to walk with Jesus Christ You must be born again to enter into His kingdom You must be a chosen son or daughter of God Barbara Scott has learned the power of prayer Through prayer she persevered through many trials and tribulations She believes that you have to PUSH pray until something happens She learned to depend on God who is the Master of her life in every situation and circumstance During those times she has discovered her purpose and her destiny She believes that our future is in our hearts Real people go through real things but we have a real God that has real answers She wants to see every person discover their purpose in this life and to connect with God to fulfill that purpose God is a major factor in her life and she has risen to a level of new strength and new hope through many storms she has encountered Chosen Sons and Daughters of God will guide you to higher heights and lead you to live a victorious life in Christ      *You Are My Son* Amy L. B. Peeler,2014-04-24 The author of Hebrews calls God Father only twice in his sermon This fact could account for scholarship s lack of attention to the familial dynamics that run throughout the letter Peeler argues however that by having God articulate his identity as Father through speaking Israel s Scriptures at the very beginning and near the end of his sermon the author sets a familial framework around his entire exhortation The author enriches the picture of God s family by continually portraying Jesus as God s Son the audience as God s many sons the blessings God bestows as inheritance and the trials God allows as pedagogy The recurrence of the theme coalesces into a powerful ontological reality for the audience because God is the Father of Jesus Christ they too are the sons of God But even more than the model of sonship Jesus relationship with his Father ensures that the children of God will endure the race of faith to a successful finish because they are an integral part of comprehensive inheritance promised by his Father and secured by his obedience Because of the familial relationship between God and Jesus the audience of Hebrews God s children can remain in the house of God forever      **Sons and Daughters** David Tamunoibi Miller,2025-08-15 As sons and daughters of God we are endowed with a sacred identity that transcends earthly titles But what does it truly mean to be a child of God This exploration seeks to uncover the profound truths about our sonship Who is a Son Understanding who a son is requires looking into the heart of God s relationship with humanity A son is someone who has been adopted into God s

family sharing in His love grace and inheritance This identity is rooted in spiritual birth where one becomes a part of God s family through faith What Makes You a Son Several key elements contribute to our sonship Salvation is the foundation where we accept Jesus Christ as our Lord and Savior and through this we are born again into God s family The Holy Spirit plays a crucial role dwelling within us and guiding us in our walk with God This divine presence empowers us to live out our faith and reflect God s character Characteristics of a Son The characteristics of a son are marked by a distinct contrast between the fruit of the flesh and the fruit of the Spirit Fruit of the Flesh This includes behaviors and attitudes such as envy strife and selfish ambition which are contrary to God s nature Fruit of the Spirit On the other hand the fruit of the Spirit manifests in qualities such as love joy peace patience kindness goodness faithfulness gentleness self control and humility These are the hallmarks of a life transformed by God s Spirit As sons and daughters we possess certain attributes that define our identity and purpose A Chosen People Generation We are chosen by God selected for a special purpose and inheritance This status calls us to live distinctively reflecting God s love and light in the world A Royal Priesthood As part of a royal priesthood we are endowed with the authority and responsibility to represent God to others This involves interceding for others sharing the gospel and living out our faith in service A Holy Nation We belong to a holy nation a community set apart by God This identity calls us to live by God s standards embodying His holiness and justice in our lives and communities A People Belonging to God Peculiar People Being a peculiar people means we are distinct set apart for God s purposes Our lives should reflect our unique relationship with God marked by love obedience and devotion The manifestation of a son involves the visible expression of God s life through us As we grow in faith and maturity our lives should increasingly reflect God s glory This manifestation is seen in our actions attitudes and interactions with others as we shine bright with the love and light of Christ Let s journey into the depths of our identity as children of God embracing our heritage and radiating His love **This Is God S Path for You** Koste J. On Christ's Mission Riaan Engelbrecht, 2023-07-25 When Jesus departed to be with His eternal Father He gave the church the ecclesia a clear mission statement in Matthew 28 which speaks of the Great Commission And what is the Great Commission therefore the mission Go and make disciples so that the world may be told of Jesus and therefore be saved Some will say some translations never speak of making disciples but rather to teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost But is the purpose of teaching the nations of Christ not to make disciples If one teaches someone about Jesus you are surely equipping them to be a follower of Jesus And such a follower is a disciple We are called in God's wisdom and by His Spirit to teach all people about Jesus for the purpose of making disciples It doesn't happen automatically It will take a concerted and decisive effort of the Bride of God Time is however slipping away to get our house in order with God and now is the time to do so We are living in the last days and the day of the Lord's coming is at hand Billions of people are still lost in every city town and village across the world There is no more time to be playing church or to be consumed with our agendas We need to come into alignment with God seek Him and be awake from our slumber The church has been slumbering for a long time lulled into sleep by a false sense of security peace and a sense of accomplishment Yet there is a mission to complete which is the Great Commission It is God's mission of bringing in the harvest of the lost and broken Now is the time to get busy with God's business and His business is about salvation redemption and restoration The call to the church to actively engage in this mission therefore to make the main thing the main thing is covered in volumes one and two

Come Home Gery Malanda, 2022-10-04 Surrendering your life to Jesus Christ and living a biblical Christian life is the most important and fundamental decision one can make in their life Depending on when how and through whom it happened it can also be the most confusing time if one is not discipled Important questions such as am I truly forgiven what does it mean to be a son daughter of God what does it mean to be clothed in a robe of righteousness And most importantly once saved always saved May be left unanswered for a long time Brother Gery Malanda Apostle and Leader of House Of Prayer For All Nations Europe and teacher on TBN Voice of Healing

UK takes an extensive look through the scriptures and in his simplistic style answers the questions we all ask Through the parable of the prodigal son Brother Gery exposes the heart of our Father the role of Jesus and the Holy Spirit in our walk of salvation Using scripture Brother Gery expounds on what God expects from us and most importantly what we can expect from God New in your relationship with Jesus Christ Have you been a Christian for a long time This book will be helpful in understanding what is your responsibility in this challenging yet amazing fulfilling and awe inspiring walk with God **Sons and Daughters of God** Ellen Gould Harmon White,1997 **A Concordance of the Qur'an** Hanna E. Kassis,2023-11-03 From the Foreword This Concordance of the Qur an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur an The benefit derivable from English translations of the Sacred Book is in principle limited because first the Qur an is not a book but a collection of passages revealed to Muhammad over a period of about twenty three years and second because the Qur an is not really translatable This does not mean that the Qur an should not be translated It does mean that translations lose much in tone and nuance let alone the incommunicable beauty grandeur and grace of the original The main distinction of Hana Kassis s concordance in my view is that it utilizes the semantic structure of Arabic vocabulary itself in revealing the meaning of the Qur an on any given issue point or concept A reader who looks in the index of this concordance for a word which he has encountered in reading an English translation of the Qur an the word pride for example is directed immediately to the roots of the Arabic Qur anic terms for pride At the entries for these Arabic roots all the derivative forms are shown and the verses of the Qur an in which they appear are there listed in translation I am confident that any person who is sincerely interested in understanding the Qur an and appreciating the nuances of its diction and shades of its meaning can satisfy his need more fully with this book than in any way short of developing a real command over the Arabic language itself Fazlur Rahman Professor of Islamic Thought University of Chicago From the Foreword This Concordance of the Qur an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur an The benefit derivab *Genesis 1-11, Second Edition* James Chukwuma Okoye,2025-05-05 Genesis 1 11 A Narrative Theological Commentary combines critical acumen with concern for the theological message of Scripture It is a commentary in two stages First the text is allowed to speak for itself using a narrative approach Then specific Jewish and Christian traditions flowing from the text are identified and the underlying hermeneutical moves analyzed **ESV, MacArthur Study Bible, 2nd Edition** Thomas Nelson,2021-03-30 Over 2 million readers around the world have had their spiritual lives enriched and their understanding of God s Word expanded by The MacArthur Study Bible Drawing on more than fifty years of dedicated pastoral and scholarly work Dr John MacArthur s verse by verse study notes book introductions and articles display an unparalleled commitment to interpretive precision with the goal of making God known through His Word Features include Fully redesigned second edition with updated study notes and expanded selection of maps and charts
