Sons Of Earth A Novel:

Sons of the Gods, Children of Earth Peter W. Rose, 2019-03-15 In this ambitious and venturesome book Peter W Rose applies the insights of Marxist theory to a number of central Greek literary and philosophical texts He explores major points in the trajectory from Homer to Plato where the ideology of inherited excellence beliefs about descent from gods or heroes is elaborated and challenged Rose offers subtle and penetrating new readings of Homer's Iliad and Odyssey Pindar's Tenth Pythian Ode Aeschylus's Oresteia Sophokles Philoktetes and Plato's Republic Rose rejects the view of art as a mere reflection of social and political reality a view that is characteristic not only of most Marxist but of most historically oriented treatments of classical literature He applies instead a Marxian hermeneutic derived from the work of the Frankfurt School and Fredric Jameson His readings focus on illuminating a politics of form within the text while responding to historically specific social political and economic realities Each work he asserts both reflects contemporary conflicts over wealth power and gender roles and constitutes an attempt to transcend the status quo by projecting an ideal community Following Marx Rose maintains that critical engagement with the limitations of the utopian dreams of the past is the only means to the realization of freedom in the present Classicists and their students literary theorists philosophers comparatists and Marxist critics will find *Sons of the Gods Children of Earth* challenging reading **Science Fiction and Fantasy Literature, Vol 1 R.**

The Impact of the Book of Enoch on Christianity and Other Religions Dr. Randy Delp, 2017-03-31 Considered an expert about the Book of Enoch Dr Randy Delp has put together an analysis of this ancient book to explain why Jesus and the New Testament writers were not only influenced by the Book of Enoch they quoted its contents cited its texts and labeled it Scripture The teachings of Enoch have influenced every major monotheistic religion including Islam

Judaism Christianity and Zoroastrianism and vestiges can be found in Hinduism and other ancient religions The footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled Enochs influence in astronomy history religion education and para psychology has forged how society thinks today It is significant to note that the prophet named Enoch who was born seven generations after Adam and Eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him

The Untold Story Edgar Shaw,2010 THE UNTOLD STORY is a depiction of a chosen people who civilized the continents of Africa and Asia These chosen people were Ethiopians There are five central characters in this book Enoch Noah Moses Abraham and Jesus Christ The Untold Story provides a vivid and accurate account of a chosen people who were specifically selected by God to be his people to live accordantly to his will but failed to live up to his expectations This eventually caused a deportation out of their land in Israel and parts of Africa They are now scattered throughout the world This book also provides a history of the many nationalities that make up the world as you see it today the history of religions and who started them and lastly the Anti Christ You will find that this book will challenge the mind to know more of man s origin and one s family tree This book will be helpful in both churches and schools
