Seeking Wisdom in Adult Teaching and Learning Wilma Fraser,2017-10-24 This book concerns the pursuit of wisdom in education and the argument that wisdom personified here as Sophia is tragically marginalised or absent in current Western epistemological discourses It includes a review of key historical and classical framings which have lost much potency and relevance as certain cultural narratives hold sway these include the reductionist technicist and highly instrumentalist discourses which shape the articulation and delivery of much education policy and practice whilst reflecting similar troubling framings from broader neoliberal perspectives Fraser argues that wisdom s marginalisation has had and continues to have profoundly deleterious consequences for our educative practices Through a compelling combination of narrative and autoethnographic techniques while also drawing on philosophical and cultural traditions the book pushes at the boundaries of emerging knowledge including how knowledge is generated It will be of interest to those who facilitate the learning of adults in a variety of settings as well as to students and supervisors seeking exemplars and justification for

Alexander PhD,2019-12-11 We are in the midst of an epic evolution in consciousness that involves a radical shift in orientation from the ego to the heart and soul This transformative process requires a breaking down of the old form which we are witnessing personally and collectively to create the space for something new to emerge As we live from the soul and express our deepest truths we actively participate in this change Life experiences may seem as though they re random but in fact they have an intention deeper meaning and purpose which is to facilitate this transformation within us Everything is occurring to free us from our old beliefs outdated ways of living and any limiting ideas we have about life and ourselves In INITIATION OF THE SOUL Dr Pamela Alexander explores the soul s journey through myth and classic fairy tales In the

initiatory mythic story of Psyche and Amor the goddess of love orchestrates events in order to awaken the soul from its slumber The heroine faces challenging tasks that draw the deeper truth of the soul's inherent wholeness freedom and power out of the unconscious and into an embodied awareness Dr Alexander proceeds from there to explore fairy tales that speak to the issues that arise during the soul's emergence These stories symbolically instruct us as to how to resolve our fears and open to love As inner restrictions are resolved we can embody expanded versions of ourselves and become more stable in a chaotic and uncertain world The stories guide us to free the soul from an egoic identification which is buffeted by the winds of change and the opinions of others to the unshakeable ground of being within Then we are empowered to live in freedom and wholeness as we participate in the creation of a new world [Living Spirit, Living Practice](#) Ruth

Growth Franceska Perot,2008-02 For millennia a patriarchal society has ruled to the exclusion of the feminine or the Goddess who was peacefully worshipped before being completely replaced by a warrior Father God The Goddess and hence women have been relegated to second class citizens The concept of woman as defined by traditional patriarchal society has disempowered the female sex and deemed them inferior This exclusion and denigration of the divine feminine has done

serious damage to women and men both individually and collectively not to mention the damage this masculine mindset has caused to the environment through wars and other aggressive acts In this dissertation the history of the Goddess from the Paleolithic to the present is discussed and causes for the rise of patriarchy such as invasions by warrior cults the advent of language and the development of the ego are explored Then the re emergence of the divine feminine and its psychological spiritual and evolutionary effects are discussed This negative perception of the self by women is challenged by re imaging women after the Greek Goddess archetypes Athena Hera Demeter Artemis Aphrodite and Persephone The Goddess archetypes are discussed in a therapeutical context as well as other therapeutical techniques such as aspecting visualizations and women s groups and circles The author proposes the re introduction of the Sacred Marriage a sacred ritual performed in temples since Neolithic times and in certain sects today as a technique for therapy This sexual ritual along with an understanding of the history of the divine feminine will have individual collective and evolutionary effects with its use

Ideas Against Ideocracy Mikhail Epstein, 2021-09-09 Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures awarded by the Modern Languages Association This groundbreaking work by one of the world s foremost theoreticians of culture and scholars of Russian philosophy gives for the first time a systematic examination of the development of Russian philosophy during the late Soviet period Countering the traditional view of an intellectual wilderness under the Soviet regime Mikhail Epstein provides a comprehensive account of Russian thought of the second half of the 20th century that is highly sophisticated without losing clarity It provides new insights into previously mostly ignored areas such as late Soviet Russian nationalism and Eurasianism religious thought cosmism and esoterism and postmodernism and conceptualism Epstein shows how Russian philosophy has long been trapped in an intellectual prison of its own making as it sought to create its own utopia However he demonstrates that it is time to reappraise Russian thought now freed from the bonds of Soviet totalitarianism and ideocracy but nevertheless dangerously engaged into new nationalist aspirations and metaphysical radicalism We are left with not only a new and exciting interpretation of recent Russian intellectual history but also the opportunity to rethink our own philosophical heritage

St. Mary Magdalene Tau Malachi, 2012-02-08 A gnostic biography that brings to light the importance and spirituality of the Christian saint Mary of Magdala In the Gospels of the Bible there are a few comments about Mary Magdalene here and there But in the Gnostic scriptures that have been discovered there are tantalizing hints that both her relationship to Jesus and her role among Jesus disciples may have been profoundly important Among several schools of Gnostic Christianity Mary plays an essential role in the revelation of the gospel Here for the first time in print is a Sophian Gospel of St Mary Magdalene No secret oral tradition as extensive as this has ever been recorded and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation
