Sophia Parnok:

Sophia Parnok Diana L. Burgin, 1994-07 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven around the poet s own account visible in her writings The book is divided into seven chapters which reflect seven natural divisions in Parnok s life This lends Burgin s work a particular poetic resonance owing to its structural affinity with one of Parnok s last and greatest poetic achievements the cycle of love lyrics *Ursa Major* Dedicated to her last lover Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation Parnok s poems translated here for the first time in English added to a wealth of biographical material make this book a fascinating and lyrical account of an important Russian poet Burgin s work is essential reading for students of Russian literature lesbian history and women s studies *Marina Tsvetaeva* Simon Karlinsky, 1985 This book is a major critical biography of the poet Maria Tsvetaeva by one of the foremost authorities on her work It draws on a profusion of recent documentation and research some of it hitherto unpublished and encompasses the whole course of her life Professor Karlinsky is careful to supply the reader with the necessary context for understanding the work by setting out the historical political and literary background against which Tsvetaeva s life and literary development evolved A particular feature of the book is a discussion of Tsvetaeva s relationships with her literary contemporaries especially Mandelstam Rilke Akhmatova Pasternak and Mayakovsky and of her emotional involvement with various men and women that are reflected in her poetry plays and prose Interest in Tsvetaeva s work has grown considerably and this important book will be essential reading both to scholars of twentieth century Russian literature and cultural studies and to all serious students of modern literature *History of Homosexuality in Europe and America* Wayne R. The Same Solitude Catherine Ciepiela, 2018-09-05 Still we have the same solitude the same journeys and searching and the same favorite turns in the labyrinth of literature and history Boris Pasternak to Marina Tsvetaeva One of the most compelling episodes of twentieth century Russian literature involves the epistolary romance that blossomed between the modernist poets Marina Tsvetaeva and Boris Pasternak in the 1920s Only weeks after Tsvetaeva emigrated from Russia in 1922 Pasternak discovered her poetry and sent her a letter of praise and admiration Tsvetaeva's enthusiastic response began a decade long affair conducted entirely through letters This correspondence written across the widening divide separating Soviet Russia from Russian migrants in continental Europe offers a view into the overlapping worlds of literary creativity sexual identity and political affiliation Following both sides of their conversation Catherine Ciepiela charts the poets changing relations to each other to the extraordinary political events of the period and to literature itself The Same Solitude presents the first full account of this affair of letters and poems from its beginning in the summer of 1922 to its denouement in the 1930s Drawing on many previously untranslated letters and poems Ciepiela describes the poets mutual influence both in the course of their lives and the development of their art Neither poet saw any separation between a poet's life and work and Ciepiela treats each poet's letters and poems as a single text She discusses the poets famous triangular correspondence with Rainer Maria Rilke in 1926 and she addresses the profound significance of Tsvetaeva for Pasternak who is often perceived mistakenly Ciepiela asserts as the more detached partner Further this book expands our understanding of poetic modernism by showing how the poets worked through ideas about gender and writing in the context of what they themselves called a literary marriage

Literary Biographies in The Lives of Remarkable People Series in Russia, Ludmilla A. Trigos, Carol Ueland, 2022-03-14 The legendary Russian biography series The Lives of

Remarkable People has played a significant role in Russian culture from its inception in 1890 until today. The longest running biography series in world literature it spans three centuries and widely divergent political and cultural epochs: Imperial, Soviet, and Post-Soviet Russia. The authors argue that the treatment of biographical figures in the series is a case study for continuities and changes in Russian national identity over time. Biography in Russia and elsewhere remains a most influential literary genre, and the distinctive approach and branding of the series has made it the economic engine of its publisher, Molodaia gvardiia. The centrality of biographies of major literary figures in the series reflects their heightened importance in Russian culture. The contributors examine the ways that biographies of Russia's foremost writers shaped the literary canon while mirroring the political and social realities of both the subjects and their biographers' times. Starting with Alexander Pushkin and ending with Joseph Brodsky, the authors analyze the interplay of research and imagination in biographical narrative, the changing perceptions of what constitutes literary greatness, and the subversive possibilities of biography during eras of political censorship.
