Sophias Fire:

Sophia's Return Purple Goddess, 2021-09-28 Sophia's Return is an exploration of Goddess spirituality and an instructional book. It encourages women to lead their own sacred circle using the Celtic Wheel of the Year and shows them how to run a sacred or spirituality circle. This book includes the script for eight ceremonies typically used for the Celtic Wheel of the Year: for example, Summer Solstice, Autumn Equinox, Winter Solstice, and Spring Equinox. Each ceremony includes a guided meditation and information about the Goddess honoured during that ceremony. Sample Maiden, Mother, and Crone ceremonies as well as a personal memoir recounting the author's own story and Goddess experience are included. This book is a beneficial tool for women of all ages who might be feeling a call for spirituality with the Feminine at its centre. One of the goals with this book is to give the reader the basic tools and foundation of knowledge to get started to run their own sacred circle in a simple and easy-to-use format.

The Wedding of Sophia Jeffrey Raff, 2003-11-01. Author of the acclaimed *Jung and the Alchemical Imagination*, Jeffrey Raff continues his teachings in psychoidal alchemy with an in-depth look at the feminine aspect of the divine. Sophia is in the esoteric teachings the embodiment of Wisdom, the matrix from which God arose and God's heavenly consort and mirror. But as Raff explains, she suffered a fall from this exalted state corresponding to the obscuration of the feminine archetype in the patriarchal world. Without Sophia, God is not whole. It is our task to work with imagination to reunite Sophia and God. Raff explains the difference between fantasy, a product of the ego, and imagination, which comes from the soul. More importantly, he brings Sophia to life through a vivid analysis of an 800-year-old text, *The Aurora Consurgens*, as well as his personal experience with Sophia and active imagination. This process empowers us to become whole and realize our innate drive to unite with the divine.

Sophia's Lovers Christine Regan Lake, 2014-08-28. When I read a novel, I want a satisfying experience like a fine meal with a great bottle of wine. As I was reading *Sophia's Lovers*, I kept feeling like each page turn was another sip of that perfect glass of wine. I wanted more. Christine Regan Lake is a masterful writer and storyteller; she has created stories within stories and she succeeded in making very sure that I cared about her characters. Yes, indeed, this is an emotional and spiritual experience one doesn't usually encounter in a novel about love and death and retribution.

Sheila Pearl M S W Speaker, Author in *Pearls of Wisdom, Sparks of Passions*.

Desperate to prove him innocent, Sophia uncovers something far worse when an overheard conversation shatters all her dreams of a happy ending. The fragile trust she placed in Dane is smashed in an instant, and she's left with the worst dilemma of her life: Will she risk her own heart and help him, or face

watching him lose everything Those Who Favor Fire Lauren Wolk, 2009-04-23 People feel at home in Belle Haven and in many ways it is like any other small town with a caf where regulars come for the fresh cinnamon rolls and to talk about the weather or one another often staying all day It s a town with the usual collection of quirky characters the people everyone knows who by staying in one place long enough have become part of its landscape But what sets Belle Haven apart is its especially strong sense of community which is both strengthened and tested by the uncontrollable mine fire that burns below the town Sometimes it breaks through the earth s surface to swallow somebody s garden or a garbage can even a beloved pet or to threaten a house Those Who Favor Fire is the love story of Rachel Hearn who has lived in Belle Haven all her life and the man everyone calls Just Joe who has arrived only recently and the story of their love for the town that has brought them together But as the fire intensifies endangering Belle Haven and its people it also threatens what Joe and Rachel have found together Though some reluctantly consider relocating Rachel refuses to leave the only place she s ever called home the place that holds her richest memories But Joe knows the danger of becoming too firmly rooted in a place Ultimately Rachel and Joe must decide whether to abandon their beloved town In her wonderful debut novel Lauren Wolk has created a town every bit as real as the Mitford of Jan Karon s novels and populated it with characters as quirky lively and endearing as Fannie Flagg s
