*Soul Murder Revisited* Leonard Shengold, 2000-09-10 Annotation A decade after the publication of his highly acclaimed book *Soul Murder* Dr Leonard Shengold reflects anew on the circumstances and the consequences of willful abuse and neglect of children With compelling examples from literature and from clinical cases Dr Shengold describes techniques of adaptation and denial by victims the psychopathology of soul murder and therapy techniques for restoring the capacity to love

*Demons in the Consulting Room* Adrienne Harris, Margery Kalb, Susan Klebanoff, 2016-08-05 *Demons in the Consulting Room* Echoes of Genocide Slavery and Extreme Trauma in Psychoanalytic Practice is the second of two volumes addressing the overwhelming often unmetabolizable feelings related to mourning both on an individual and mass scale Authors in this volume explore the potency of ghosts ghostliness and the darker often grotesque aspects of these phenomena While ghosts can be spectral presences that we feel protective of demons haunt in a particularly virulent way distorting experience our sense of reality and our character Bringing together a collection of clinical and theoretical papers *Demons in the Consulting Room* reveals how the most extreme types of trauma can continue to have effects across generations and how these effects manifest in the consulting room Essays in this volume consider traumas that have affected multiple generations of people such as the Holocaust experiences in the gulags and the experience of slavery Authors here consider the clinical challenges of working with the demonic force in severe childhood abuse and the effects of serious and prolonged physical injury and illness Inevitably there is in such difficult clinical work the combined effects of hauntings in the analysts and in patients and often in the surrounding culture In this book distinguished psychoanalysts explore the myriad forms of ghosts and the demonic which interfere and disrupt the endlessly difficult psychic work of mourning It will be of interest to psychotherapists and psychoanalysts as well as social workers family therapists psychologists and psychiatrists *Demons in the Consulting Room* will appeal to those specializing in bereavement and trauma and on a broader level to sociologists and historians interested in understanding means of coping with loss and grief on both an individual and larger scale basis

*Treating Trauma* Toni V. Heineman, June M. Clausen, Saralyn C. Ruff, 2013-08-15 Clinicians working with traumatized youth face many challenges in supporting growth and development while addressing the many negative consequences of abuse and neglect When working with youth in foster care additional obstacles must be overcome changing placements overwhelmed substitute caregivers caseworker turnover complication with birth siblings and family and communication difficulties with and within the child welfare system *Treating Trauma Relationship Based Psychotherapy with Children Adolescents and Young Adults* presents a theoretically based and empirically supported framework for work with traumatized children youth and young adults who have spent time in foster care It offers vivid examples of cases from the work of clinicians of A Home Within a national non profit focused on meeting the emotional needs of current and former foster youth These nine case studies illustrate the vital role that relationships play in helping overcome the trauma of chronic unexpected

and unexplained losses They describe the work with clients the collateral work and also the therapists personal experiences of treating this vulnerable population This work also explores the impact of secondary trauma on those working in an around the foster care system and addresses ways that therapists and others vulnerable to vicarious trauma can protect themselves as well as their clients In particular three chapters examine the power of peer consultation in sustaining therapeutic work with vulnerable and traumatized populations Methods of integrating evidence based approaches into treatment of youth with multiple mental health problems and unavailable parents are discussed and explored Essential elements of effective mental health interventions with traumatized foster youth are presented and illustrated *Six Children* Ann G. Smolen, 2018-03-29

Theoretically anchored and historically informed *Six Children* is a book about the nuances of child psychoanalysis as these unfold in the encounter with different forms of early life anguish Addressing autistic homeless and despondent children on the one hand and greedy betrayed and angry children on the other the book attempts to integrate developmental deficits intrapsychic conflicts and constitutional givens in evolving a deeper understanding of both severe and milder psychopathology Ample clinical illustrations are provided and technical interventions pertinent to each of these situations are carefully fleshed out Equal attention is given to holding and interpretation family intervention and individual focus and affect management and mentalization The fact that the six main chapters of the book are sandwiched between a careful review and update of the field of child analysis makes the book especially suited for being used as a teaching tool in didactic curricula A comprehensive and carefully selected bibliography imparts the book a scholarly quality which exists alongside the text s literary and humane cadence **The Psychoanalysis of Overcoming Suffering** Paul Marcus, 2018-07-16

*Radical Empathy in the Context of Literature* Lou Agosta, 2025-03-25 In this book Lou Agosta explains using literary examples that readers require radical empathy to relate to process and overcome bad things happening to good people for example moral and physical trauma double binds soul murder and behavior in extreme situations A definition of radical empathy in the context of literature emerges Empathic distress occurs but one's commitment to the Other is such that one empathizes in the face of empathic distress One's empathic commitment to the survivor enables the survivor to recover her his humanness integrity and relatedness This work engages how the impact and cost of empathic distress affect the different aspects of empathic receptivity empathic understanding empathic interpretation and empathic responsiveness delivering a breakthrough and transformation in relating to the Other The intersection of literature and empathy is the place in which the literary artwork transfigures the face of trauma overcoming empathic distress and allowing radical empathy to enable the fragmented Other to recover her his integrity Additionally the book does not merely tell the reader about radical empathy in the context of the literary art work it delivers an experience of radical empathy in context in empathy's receptivity understanding interpretation and responsiveness

**Unworthy** Anneli Rufus, 2015-05-19 Using extensive research interviews and her own experiences the author who has struggled with low self esteem her entire life explores how a lack of faith in ourselves can turn us into our own worst enemies and what can be done to stop this secret epidemic Publisher's description

*Sex, Power, Control* Fiona Gardner, 2021-01-01 Given their rhetoric on safeguarding the response of religious organisations to abuse by the clergy sexual physical and spiritual has been inept thoughtless mean and without any sense of urgency Sex Power Control explores the underlying reasons for the mishandling of recent abuse cases Using psychoanalytical and sociological insights and including her own experiences as shown in the BBC documentary Exposed The Church's Darkest Secret Gardner asks why the Churches find themselves in such a crisis and how issues of power and control have contributed to secrecy deception and heartache Drawing on survivor accounts and delving into the psychology of clergy abusers she reveals a culture of avoidance and denial while an examination of power dynamics highlights institutional narcissism and a hierarchical structure based on deference with defensive assumptions linked to sex gender and class Sex Power Control is an invaluable resource for all those in the church or similar institutions and for anyone concerned about child abuse

**The Psychology of Harry Potter** Neil Mulholland, 2007-04-10 Harry Potter has provided a portal to the wizarding world for millions of readers but an examination of Harry his friends and his enemies will take us on yet another journey through the psyche of the Muggle and wizard mind The twists and turns of the series as well as the psychological depth and complexity of J K Rowling's characters have kept fans enthralled with and puzzling over the many mysteries that permeate Hogwarts and beyond Do the Harry Potter books encourage disobedience Why is everyone so fascinated by Professor Lupin What exactly will Harry and his friends do when they finally pass those N E W T s Do even wizards live by

the ticking of the clock Is Harry destined to end up alone And why did it take Ron and Hermione so long to get together Now in The Psychology of Harry Potter leading psychologists delve into the ultimate Chamber of Secrets analyzing human mind and motivation by examining the themes and characters that make the Harry Potter books the bestselling fantasy series of all time Grab a spot on the nearest couch and settle in for some fresh revelations about our favorite young wizard Patterns of Creativity Kevin Brophy,2009-01-01 Patterns of Creativity reflects on the implications of recent neuro science findings evolutionary theory and linguistics for ideas about creativity and the practice of creativity Kevin Brophy approaches questions of art and creation from the inside that is as a poet himself The conclusions about what it might mean to be a creative writer are counter intuitive What might it mean to understand the production of art as an evolutionary process with no endpoint and no goal If consciousness is a minor player in decision making and problem solving as recent neuro science findings suggest how best might an artist manage conscious intentions while seeking to make original art Brophy argues that consciousness must be managed in new ways if creativity is to be sourced that much of what we learn in education is learned without consciousness being involved that a writer must read with a particular agenda that writing is itself a particular kind of communication beyond speech requiring specific skills He argues that the metaphor is not merely a poetic device but is central to the way human thought proceeds and the way communication happens It is the strange and surprising view from within informed by those views science offers to art that preoccupy these investigations **We Heal from Memory C. Steele**,2016-04-30 Through an examination of the poetry of Anne Sexton Audre Lorde and Gloria Anzald a We Heal From Memory paints a vivid picture of how our culture carries a history of traumatic violence child sexual abuse the ownership and enforcement of women s sexuality under slavery the transmission of violence through generations and the destruction of non white cultures and their histories through colonization According to Cassie Premo Steele the poetry of Sexton Lorde and Anzald a allows us to witness and to heal from such disparate traumatic events *Reflections on Long-Term Relational Psychotherapy and Psychoanalysis* Susan A. Lord,2019-03-15 Reflections on Long Term Relational Psychotherapy and Psychoanalysis explores how relational analysts think about and pursue long term therapeutic relationships in their practices Many therapists work intensively with their clients over many years and don t necessarily talk about their work More exploration is needed into what is taking place inside of these long term relationships The chapters cover a range of topics that focus on aspects of the therapeutic relationship that are unique to long term psychoanalytic work They include work with various issues such as trauma death and dying cross cultural issues suffering mourning neuropsychanalysis unique endings attachment intimacy and the many ways in which therapists change along with their clients as they go through life stages together Reflections on Long Term Relational Psychotherapy and Psychoanalysis will be of great interest to psychoanalysts psychodynamic psychotherapists psychologists social workers workers in other mental health fields graduate students and anyone who is interested in change processes *Dialogues with Michael Eigen* Michael Eigen,2019-07-22

Dialogues with Michael Eigen spans 20 years of diverse interviews and interactions with the acclaimed psychologist Michael Eigen including interlocutors from Italy Spain Portugal Argentina Sweden Israel and the United States published together for the first time This book explores the importance of soul reveries psychoanalytic prayers and cultivation of psychoanalytic faith in Eigen s work The dialogues lay out Eigen s privileging of emotions as messengers in need of recognition as welcoming inner gestures for incubation enabling a deep vitalizing contact of being with oneself and others Eigen reminds us that struggling with one s personality remains a life long task exposing us to various existential sufferings agonies traumas and losses in need of soul confession if not analytic prayer The book seeks to help readers find touch and work with emotional realities a little better and support a growing intimate creative relation to ourselves The rich explorations of the interviews and interactions with Eigen help contribute to further appreciation of our experiential life and worlds it opens Building on his work on mind body soul connections Dialogues with Michael Eigen is an essential book for anyone interested in the spiritual side of psychoanalysis

The Shame that Lingers A. Denise Starkey, 2009 In *The Shame That Lingers* A Survivor Centered Critique of Catholic Sin Talk A Denise Starkey argues that the dominant legal model of sin in the Catholic Church is inadequate for hearing the experience of sin for survivors of childhood and domestic violence because it functions to shame rather than to heal A universal understanding of the sinner as found in mainstream Catholic sin talk and confession impedes human flourishing by silencing radical suffering in ways that make survivors complicit for the harm done to them Starkey argues that a shame free theology of sin is necessary if survivors are to encounter the profound love of God Understanding sin from the perspective of the sinned against makes possible a transformative solidarity with the other by reinvisioning the roles of speaker and listener

**Prologue to Violence** Abby Stein, 2013-09-05 Despite mounting references to the transgenerational transmission of violence we still lack a compelling understanding of the linkage between the interpersonal violence of early life and the criminal violence of adulthood In *Prologue to Violence* Abby Stein draws on the gripping narratives of 65 incarcerated subjects and extensive material from law enforcement files to remedy this lacuna in both the forensic and psychodynamic literature In the process she calls into question prevailing beliefs about criminal character and motivation For Stein the early trauma to which adult criminals are subjected remains unformulated and as such unavailable for reflection Contrary to common belief these criminals especially sex murderers do not commit their crimes in a rational or fully conscious way They are not driven by deviant fantasy their psychopathy is not inborn and they rarely commit acts of violence without conscience Stein s interdisciplinary analysis of her data infuses contemporary relational psychoanalysis with the insights of neuroscience traumatology criminology and cognitive and narrative psychology A powerful challenge to offender treatment programs to address the shaping impact of childhood trauma rather than merely to correct the cognitions of violent offenders *Prologue to Violence* will be equally compelling to researchers and academics investigating child abuse and adult violence Its mental health readership will be broad and deep ranging beyond clinicians

who work with offender populations to all therapists who wrestle with experiences of dissociation and aggressive enactment in everyday life     Trauma Controversy, The ,     *What Happened to Johnnie Jordan?* Jennifer Toth, 2007-09-11 On an icy night five years ago Johnnie Jordan just fourteen years old brutally murdered his elderly foster care mother leaving the state of Ohio shocked and outraged He could not tell police why he did it or even how it made him feel all he knew was that something inside him made him kill At the time few people predicted the swift emergence of a class of young so called super predators criminals like Johnnie who injure and kill without conscience personified to the nation by the Littleton Colorado tragedy in 1999 In *What Happened to Johnnie Jordan* acclaimed journalist Jennifer Toth author of *The Mole People* and *Orphans of the Living* once again takes a look at the people in our society whom we so often discard and altogether ignore As Toth investigates Johnnie s crime and life she unravels the mysteries of a child murderer unable to identify his emotions even after they converge in acts of fury and rage In the course of her research Johnnie grows dangerously into a young man who will probably kill again he says though I don t want to Yet he also demonstrates great kindness and caring when treated as more than just a case number when treated as a human Through Johnnie s harrowing story Toth examines how some children manage to overcome tragic beginnings while others turn their pain anger and loss on innocents More than a beautifully written narrative of youth gone wrong this is the story of a child welfare system so corrupted by bureaucracy and overwhelmed with cases that many children entrusted to its care receive none at all It is also the story of a Midwestern town struggling with blame and anger unable to reconcile the damage done by so young an offender From Johnnie s early years on the streets to his controversial trial and ultimate conviction *What Happened to Johnnie Jordan* is a seminal work on youth violence and how we as a society can work to curtail it Ultimately Toth ponders one of the most difficult and important questions on youth violence If we can t control the way children are raised how can we prevent them from destroying other lives as well
