Soul Of Recovery:

The Soul of Recovery Christopher D. Ringwald, 2002 Ringwald illuminates the use of spirituality within a wide range of treatment options. Combining in depth research with powerful personal accounts, this fascinating exploration of spirituality will provide a fuller understanding of the nature of addiction and how people overcome it. **Soul of Recovery** Ringwald, Christopher, 2002

Soul Recovery Ester Nicholson, 2013 Ester Nicholson's foundational process that she's termed Soul Recovery unlocks the code of dependence as it manifests in substance relationship and behavioral addictions among others. As you're guided through a 12 week process of study and practice, the author courageously shares her inspiring journey that has ultimately led to a new life of wholeness, fearlessness, and power. Using examples and daily practices, she reveals the 12 keys that saved her life and the spiritual technology that will bring you serenity and carry you to your dreams. The Soul Recovery process works deeply with life paradigms and practices to create a soul-centred awareness that's so profound that disease, addictions, and everyday problems related to attachments, expectations, and limiting beliefs are dissolved in the face of it. A fascinating read, *Soul Recovery* tells the gritty story of a recovering substance abuser who rose to great career heights while falling into a personal abyss, only to find her way back with newfound glory and purpose. Its powerful lessons and practical, easy-to-use exercises can be used by people of all ages and from all walks of life. **Soul Recovery - 12 Keys to Healing Dependence** Ester Nicholson, Ben Dowling, Michael Bernard Beckwith, 2015-02-11 Ester Nicholson's *Soul Recovery* unlocks and heals the patterns of dependence as they show up in substance abuse, food relationships, and other addiction-like behaviors that cause many of us to suffer and fail. Ester bravely shares her own inspiring journey from cocaine addiction and domestic abuse to a healthy life of wholeness, serenity, and success as a speaker, teacher, practitioner, therapist, and world-renowned singer with Bette Midler and Rod Stewart. This easy-to-follow program of study and daily practice contains a powerful spiritual technology that will empower and carry you to greater fulfillment and joy, no matter what you've experienced, thought, or done in the past. These 12 Keys saved Ester's life. *Soul Recovery* changes life-long patterns to create a profound self-awareness that dissolves dependence, whether big or small. Its lessons and exercises are universally applicable to people of all ages and experience. Note: This edition was formerly released by Hay House under the title *Soul Recovery 12 Keys to Healing Addiction*.

Soul Recovery and Extraction Eileen Nauman, Ai Gvhdi Waya, 2014-10-01 Spiritually, one can lose a soul piece by giving power away to someone or something else. Soul recovery is about regaining the fragments of one's soul energy that have been trapped, lost, or stolen, either by another person or lost through a traumatic incident. The heart of this shamanistic healing method is taking back control of your life. Shamanism, in the simplest definition, is the ability of an individual to move into an altered state and travel the inner dimensions of what we call nonphysical reality. This technique is as old as human existence. It is practiced around the world, and in the past decade, it has been reintroduced to Western civilization, although among indigenous cultures, shamanism continues to be practiced as a healing tool without interruption.

Extraction is another tool within the shamanistic tradition that dissolves blocks from our bodies or the aura of electromagnetic energy that surrounds us. These blocks can affect us physically as well as mentally, emotionally or spiritually, and with a shaman's expertise they can be removed. Soul Recovery STANLEY SCOTT Jr, 2024-02-08. The journey of recovery and maintaining sobriety brings intense emotional ups and downs. In the darkest moments when all seems lost, inspiration can provide a lifeline of hope. The poems and songs contained in this collection offer connection, understanding, encouragement and comfort to anyone seeking healing from addiction or committed to staying the course of sobriety. Having the title of each poem and song clearly listed under the corresponding step makes it easy to navigate. This clear organization should serve readers well in accessing the inspirational content on their 12-step journey. Spanning the milestones of the 12-Step process, these lyrical reflections capture the pivotal turning points along the road to redemption. Raw, honest words give voice to admitting powerlessness in Step 1, grasping for faith in Step 2, letting go in Step 3, and taking personal inventory in Step 4. Further, poems unpack finding courage to confess faults to another in Step 5, declaring readiness to release character defects in Step 6, and appealing for their removal in Step 7. Additional works underscore the ongoing work of making amends in Steps 8 and 9, promptly admitting when one is wrong in Step 10, consciously seeking connection through prayer and meditation in Step 11, and carrying the message of hope to others in Step 12. Song lyrics set to music explore the 12-Step journey from darkness to liberation. Whether you are just embarking on a recovery program or years into maintaining sobriety, these inspirational words shine light on shared human experiences. May the creativity, understanding, and Triumph of the human spirit over addiction voiced here grant you solidarity and fortitude. When doubtful of your ability to persist, let these soaring lyrics lift your eyes to the horizon of healing. For you are never alone when walking the courageous road of recovery.

Operation Soul Recovery Sheryl J. Stevens, 2003-06. An alarming problem is raging out of control in our country and world. Statistics say that proportionately everyone knows at least one or more persons, if not themselves, who is stricken with an addiction or another form of mental illness. On one hand, we appear to be making an attempt to deal with the problems. On the other hand, the weakness of the methods, along with the lack of conviction, have left barely a scratch on the surface of what is fast becoming an epidemic. And producing in its wake is a multidimensional negative effect upon all of society. The inherited shame and denial that have accompanied these disorders for centuries still prevent us from dealing with them forthrightly. However, in the past, the number of victims did not present a significant threat to the safety and welfare of civilization. Nor then were the defining lines of right and wrong so clouded with controversy. Now we have neither situation to our benefit. Perhaps compromising values has tended to cause a blending effect, making it much more difficult to lead them out of their disconnected conditions. If we cannot provide the afflicted with a substantial lifeline of recovery, then the existing situation is like the blind leading the blind. We consider every illness of the body with the greatest of care, yet what good is a healthy body if it must live with a tormented soul? Somehow we fail to see the connection between the

escalating violence that goes on in the world and the rising turmoil of mind and spirit disorders that exist largely unattended not to mention the millions who suffer unmercifully in silence It is an issue of urgency that needs to be clearly acknowledged on all fronts and raised from the bottom to the top of our priorities It is probable that a real turnabout must stem from those who have been struck by these devastating circumstances within their own circle of loved ones There is no greater passion against evil than that which is born from such intense personal pain and remains the most important element in revolutionizing this wanton dilemma Possibly the final cure will not be found in books and theories but in the depths of wounded hearts If we have the will to survive and find purpose in the tragedies they can change us rearrange our perspectives give us wisdom in ways otherwise unimaginable The place to start is a real awakening to the consequences of evil that have been brought upon society by these forgotten diseases Only then we are ready to fathom what must be done After nearly two decades of watching my youngest daughter evolve from a lovely young girl to a stranger battling multiple addictions moreover witnessing the ineffectiveness of the entire range of recovery systems within our reach the results were utterly heartbreaking However out of these adversities would come an amazing vision extraordinary in nature yet altogether possible It was a phenomenon which could indeed change the course of all that falls under the umbrella of mental illness Ultimately this vision was the inspiration for writing Operation Soul Recovery
