Understanding Spiritual Gifts Sam Storms, 2020-09-01 What are spiritual gifts? Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the everyday, are given to build up the body of Christ. God has graciously provided these manifestations of the Spirit so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing incremental transformation into the image of Jesus Christ. Throughout this guide, Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer. Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today.

Walking Victoriously in the Power of the Spirit C. Matthew McMahon, 2019-10-25 One of the more neglected theological topics over the past 500 years of church history is a practical theology of the Holy Spirit: how the Holy Spirit works in your life as a believer every single second of every single minute of every single day in the grace of Christ Jesus. There are some very good systematic theology books that deal in their respective

chapters with the Holy Spirit as they cover the doctrine of God and there are even some very well written single volumes on the Spirit compiled in a systematic fashion by divines looking to give us a theological overview of the Spirit But there are relatively no books on the Holy Spirit that take a biblical and historic confessional approach and marry that with a theology of victoriously walking in the Spirit as it relates to the abundant life that Jesus Christ has promised to his church Jesus did not come merely to give life but to give believers abundant life in the Spirit Is this what you experience in your daily walk Every Christian desires spiritual victory in Christ and to walk victoriously in the Spirit as outlined by Scripture but how would you explain that daily reliance and how would you as a believer experience the fullness of the Spirit in your own course of life Well that is what this little volume is about It is to arm you with the necessary biblical ideas surrounding a victorious and abundant life of walking in the Spirit day by day in order to please King Jesus and experience true happiness as Christ promises It covers what abundant life is who the Spirit is in Scripture as it relates to his work in a believer what it means to be baptized in the Spirit indwelt by the Spirit anointed by the Spirit illuminated by the Spirit filled by the Spirit empowered by the Spirit and led by the Spirit It also covers what it means to pray in the Spirit how to exemplify the fruit of the Spirit how to exercise your gifts in the Spirit and how to walk in the Spirit victoriously It concludes with a chapter on rejoicing in Christ in the Spirit which ought to be a culmination of this abundant life for you as a born again believer Christians should be walking in abundance in Christ right now through the work of the Spirit Are you
