Soul Winners Economy New Testament King James Version:

Soul Winners David Clary, 2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party's most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation's landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary's narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life

You Can Be a Soul Winner! Nate Krupp, 2018-11-01 You can be a soul winner At the turn of the last century there were only two books on personal evangelism one by Charles Trumbull and one by R A Torrey Both taught personal evangelism methods to be used in the context of counseling seekers at mass evangelism crusades The restoration of personal evangelism to the Church

Sydney's One Special Evangelist Baden P. Stace, 2022-08-04 This landmark work is the first academic study of a figure who played a defining role in the Australian evangelical movement of the late twentieth century

the inimitable preacher evangelist and churchman John C Chapman The study situates Chapman s career within the secularizing Western cultures of the post 1960s a period bringing momentous changes to the social and religious fabric of Western society At the same time global Evangelicalism was reviving bringing vitality to large swathes in the Global South and a re balancing in Western societies as conservative religious movements experienced growth and even renewal amidst wider secularizing trends Against this backdrop the study explores the way in which across a wide array of domestic and international fora Chapman contended for the soteriological priority of the gospel in Christian life mission and thought Accomplished via an absorbing blend of personal wit impassioned oratory innovative missiological strategy and striking theological perception the result was a stimulating history of public advocacy that sought a revival of confidence in Evangelicalism s message and a constantly reforming vision of Evangelicalism s method Such a legacy marks Chapman as a central figure within the generation of postwar leaders whose work has given Australian Evangelicalism its contemporary shape and dynamism
