Anatomy of Spirituality: Portrait of the Soul Chander Behl,2015-04-27 The domain of spirituality separated from its theological overburden believes in the existence of a spiritual self presumed to be distinctly separate from the psychological self The spiritual eternal self also known as the soul or spirit sometimes supported by an overarching Spirit is asserted to be operating behind the ephemeral self This book takes a contrarian stance it argues that the premise of the soul concept is obtained through the magic of language maintained through the marvel of the brain's biochemistry and sustained through the mirage of the psychological juggernauts of the brain The magic the marvel and the mirage together bring about subtle shifts as the linguistic brain suppresses many psychological details habitually applies mental templates such as inversions and dichotomies and enhances its language by coining religious and spiritual metaphors The consequence of these changes is that the usual flickering self begins to be impressed by itself believing it is buttressed by something transcendental and eternal within the soul or the spirit The self although indoctrinated during its formative years also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas the overburden signifies as the legitimate proof for the eternal soul Soul Corrupted Lisa Gail Green,2015-09-09 In *Soul Corrupted* the sequel to *Soul Crossed* life in Heaven isn't all happily ever after for Josh and Grace Now Guardian Angels they are entrusted with finding and saving the next potential Antichrist But Grace is consumed with worry about her family which is dealing with the aftershocks of her death She's particularly concerned about her brother Noah who has turned down a dangerous path of drugs and violence and she's frustrated by the rules of Heaven which forbid her from contacting them Josh has troubles of his own A former Demon he questions his ability to guide troubled souls to the light When he discovers that Noah made a deal with Lucifer and has even been hanging around with Josh's old Demon pal Keira he makes a forbidden counter deal with the Devil to save Noah's soul Josh's side of the bargain He has to sever his relationship with Grace Josh and Grace's world is about to spin out of control testing the limits of true love and blurring the border between Heaven and Hell *Soul Corrupted* is the second installment in Lisa Gail Green's *Of Demon and Angels* series which started with *Soul Crossed* **Metaphysical Divine**

Wisdom on Universal, Physical, Spiritual and Soul Love Kevin Hunter,2019-07-04 The point of all existence in the end is connected to love whether that is love for another person self love or universal and spiritual love One of the main reasons all souls are here is to learn the nature of love Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul When you are in Heaven you truly understand what Universal love feels like Love is the most powerful vibration that exists throughout all of time and space Displaying hatred doesn't take much effort but to

show love requires a complete soul do over in order to get back to that space your soul was born with Love will always cost you something whether that s time or energy Love will cost you pride when you need to let go of something that someone else did and extend the olive branch Universal Physical Spiritual and Soul Love examines one of the most powerful vibrations that exists and that is love There are divinely guided discussions on what it means to display Universal love and spiritual love There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames before devoting a good chunk on the practical which is of great interest in the physical world The mid section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul s DNA because then Earth would be as close to Heaven as feasibly possible There would be never ending joy peace and love for every soul Everyone would be operating from a higher vibration while moving mountains in the process We see this kind of amazing uplifting joy in others when they re in a high vibrational state Universal Physical Spiritual and Soul Love has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul s natural state of love Some of the topics discussed in Universal Physical Spiritual and Soul Love include It s All About Love Creating the Life You Love Self Love and Self Care Karmic Soul Connections Soul Mate Soul Connections Twin Flame Soul Connections The Benefits and Challenges of Technology Dating Single and Longing for a Relationship Love and Relationships Love is a Battlefield Seeking Love Through External Validation Divine Soul Love Love Yourself Back to Life Bring Out the Good Vibrations Universal Spiritual Love and much more Let more Light into your soul s life with the Metaphysical Divine Wisdom collection of books Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication Soul Consciousness and Purpose Manifesting Fearless Assertive Confidence Balancing the Body Mind and Soul Increasing Prayer with Faith for an Abundant Life and Universal Physical Spiritual and Soul Love

Soul Man Stephen James Bull, 2020-06-17 Autobiographies from beyond the grave are rare things for obvious reasons One cannot demonstrate a spiritual and mortal coexistence outside the human mind It's the logical conclusion eternal life can only exist in an individual's psyche but logic doesn't explain why we are here the enigma of time and space and people's belief in God Soul Man gives a view that breaks many of these self-imposed barriers opening the mind to possibilities that could exist outside our known universe a new existence a new world leading to experiences the likes of which I doubt you will have ever read before Optimistic people will tell you anything may be possible imaginative people will say anything is possible

Twin Flame Soul Connections Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they're a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two until two become one again separate and whole and back around again Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God When one thinks of a Soul Mate or Twin Flame they might equate it to a passionate romantic relationship where you're making love on a white sandy palm tree lined beach in paradise for the rest of your lives This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you've come into contact with your Twin Flame or if you know someone who has The ultimate goal is not to find one's Twin Flame but to awaken one's heart to love and to work on becoming complete and whole as an individual soul through spiritual self-mastery life lessons growth and raising your consciousness Your soul's life was born out of love and will die right back into that love Chapter Topics Include Karmic Soul Connections Soul Mate Soul Connections The Twin Flame Craze The Birth of Twin Flames Masculine Feminine Yin and Yang The Light and Dark Higher and Lower Energies Twin Flames The Romantic and Non Romantic Twin Flames Age and Location Twin Flames Example Couples Twin Flames Genders Gay Straight Homosexual Heterosexual Twin Flames Runner
