Christian Mysticism's Queer Flame Michael Bernard Kelly,2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens

and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirmingly gay Finally it employs Ricoeur s hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men s lives as described in their interviews This is a unique study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teach spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people **In the Potter's Workshop** Robert P. Kappelle,2019-03-08 When you think of God what images come to mind Do you see God in others Do you acknowledge God s presence in each circumstance and situation of your everyday life no matter how trivial How you conceive God determines how you experience God As contemporary author Frederick Buechner advises Listen to your life Listen to what happens to you because it is through what happens to you that God speaks While spiritual life of some kind is necessary for psychological health psychotherapist Thomas Moore indicates in *Care of the Soul* that excessive or ungrounded spirituality can be dangerous leading to compulsive and even violent behavior It is better for religious seekers to embrace a religious practice that has been tested and refined over time than to experiment solo or by joining some exotic new sect In this book Dr Vande Kappelle explores the richness of Catholic and Protestant spiritual traditions and the power of intuition and imagination to chart an approach to the sacred that is simple practical and effective Holistic religion requires three elements in creative tension a historical or institutional element a mystical or emotional element and an intellectual or scientific element If you want to know what this means and how it is accomplished read this book Designed as a study guide for group or individual use *In the Potter s Workshop* will challenge and inspire you to experience God in ways that are sustainable and transformative *Desert Fathers and Mothers* ,2012-08-01

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price
