*Shaman, M.D.* Eve Bruce, 2002-01-01 A highly successful plastic surgeon embraces shamanic healing techniques and helps her patients experience true beauty and ecstasy The author has been featured by Healthy Living magazine as one of the top 19 holistic healers for the millennium Shows readers how to embody the spiritual within the physical to shapeshift their lives on all levels Both an exceptional personal journey and an extraordinary exploration of the nature of real healing As a dual board certified plastic and reconstructive surgeon and the first non Quechua woman to be initiated into the Circle of Yachaks bird people shamans of the Andes Dr Eve Bruce sees herself as an agent of change in both worlds After traveling to Central and South America to study indigenous healing techniques Bruce realized that although our culture is obsessed with narrowly defined standards of physical beauty we actually devalue the physical because we separate it from the spiritual She saw that her plastic surgery patients who felt ashamed of their vanity had the least successful outcomes Those ready for change on emotional and spiritual levels were able to use the physical shapeshift provided by the surgeon s knife to transform their entire lives By integrating the two healing modalities of surgeon and shaman Bruce is able to help people shapeshift into newfound health on all levels physical emotional and spiritual Because she bore her first child at sixteen rose to the challenges of single motherhood and worked her way through medical school Bruce learned early to redirect the flow of her life turning apparent obstacles into opportunities As a powerful example of the human capacity for self transformation Bruce is uniquely qualified to inspire readers to redirect their own lives to places of beauty and self acceptance *Shadow Medicine* John S. Haller, Jr., 2014-07-08 Can Evidence Based Medicine EBM and Complementary and Alternative Medicine CAM find common ground A distinguished historian of medicine John S Haller Jr explores the epistemological foundations of EBM and the challenges these conceptual tools present for both conventional and alternative therapies As he explores a possible reconciliation between their conflicting approaches Haller maintains a healthy scientific skepticism yet finds promise in select complementary and alternative CAM therapies Haller elucidates recent research on the placebo effect and shows how a new engagement between EBM and CAM might lead to a more productive medical practice that includes both the objectivity of evidence based medicine and the subjective truth of the physician patient relationship Haller s book tours key topics in the standoff between EBM and CAM how and why the double blinded randomized clinical trial RCT came to be considered the gold standard in modern medicine the challenge of postmodern medicine as it counters the positivism of evidence based medicine and the politics of modern CAM and the rise of the National Center for Complementary and Alternative Medicine He conducts an in depth case study of homeopathy explaining why it has emerged as a poster child for

CAM and assesses CAM's popularity despite its poor performance in clinical trials Haller concludes with hope showing how new experimental protocols might tease out the evidentiary basis for the placebo effect and establish a foundation for some reconciliation between EBM and CAM      **Secrets of Connecting Leadership and Learning With Humor** Peter M.

Jonas,2004-08-11 Here is a researched based book in which author Peter Jonas explores how humor can enhance both leadership performance and improve the learning environment Jonas attempts to use research and brain based concepts to build a theoretical foundation and then provides practical components for connecting leadership learning and humor Individuals need to understand the theoretical nature of leadership before they can translate the concepts into practice on a daily basis The same is true for humor The main theme of the book is that the proper use of humor will not only increase learning comprehension but it can be used as an important tool for leaders to enhance their effectiveness Throughout the book Jonas has interjected humorous jokes stories puns exercises activities expressions etc in order to show specific examples to provide the reader with material that can be used in leadership situations and the classroom The materials in the book can be learned saved for later or copied for immediate use Moreover each chapter is fun to read and contains practical points and examples of how to integrate humor into daily leadership activities and lesson plans For teachers and leaders or anyone in the field of education      **The Complete Book of Men's Health** Men's Health Books,2000-08-22 Provides
