The Politics of Identity in Irish Drama George Cusack, 2009      Soul Merchants Roger W. Hite, 2002-10      **The Merchants of Souls** John Barnes, 2002-11-18 The sequel to *A Million Open Doors* and *Earth Made of Glass* Special agent Giraut Leones betrayed by his superior and closest friend swore he would never work for the Office of Special Projects again but now he must A new movement on Earth seeks to use the recorded personalities of the dead as helpless virtual reality playthings and to the worlds of the Thousand Cultures where the reborn are accepted as normal citizens it s a monstrous crime If Giraut cannot stop Earth from ratifying its plans the tenuous structure of interstellar human civilization will collapse Complicating matters Giraut s brain now hosts a second consciousness the revived mind of his long dead friend Raimbaut Together Giraut and Raimbaut must confront their shared past while struggling with a deadly present At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **Priest King** Lisa Blackwood, 2024-09-21 He s as lethal as he is beautiful desired and feared by all She s big bloodthirsty and obliterates her enemies Never should they have met But they did With the Serpent God s ultimatum hanging over them Honryn and Verdria know they are running out of time The Festival of the Vine is only four months away And on that night the deity will claim Honryn as his mortal vessel and Verdria as his consort a fate they both want to avoid Yet one of the Serpent God s new gifts to Verdria allows her to wield soul mage magic and she discovers she can now create long distance portal spells like Honryn This proves groundbreaking because Honryn has been building a secret settlement a city situated between dragon territory and Verdria s own homeland and with Verdria s help Honryn can now supply his secret new settlement twice as fast thus guaranteeing he can evacuate all his people to the new settlement before he becomes the host for a hostile god But there is just one problem with his plan Honryn isn t planning to go with them He s going to stay behind and become the new Priest King and the mortal vessel for the Serpent God Because if Honryn doesn t stay behind and he flees with his family back to the mountains his uncle will send the might of the empire to crush Verdria s homeland and rescue Honryn As far as Verdria is concerned she only has two choices find a way to free Honryn from the Serpent God or stay by his side and become his consort Because there s no way she s abandoning him      Presbyterial Critic and Monthly Review ,1855      Nobility and Annihilation in Marguerite Porete's Mirror of Simple Souls Joanne Maguire Robinson, 2012-02-01 This first book length study of Marguerite Porete s important mystical text *The Mirror of Simple Souls* examines Porete s esoteric and optimistic doctrine of annihilation the complete transformative union of the soul into God in its philosophical and historical contexts Porete was burned at the stake as a relapsed heretic in 1310 Her theological treatise survived the flames but it circulated anonymously or under male pseudonyms until 1946 and her message endures as testament to a distinctive form of medieval spirituality Robinson begins by focusing on traditional speculations regarding the origin nature limitations and destiny of humankind She then examines Porete s work in its more immediate historical and literary contexts focusing on the ways in which Porete

conceptualizes and expresses her radical doctrine of annihilation through contemporary metaphors of lineage and nobility

Clegg,2002-06-07 Paradox the simultaneous existence of two inconsistent states has become orthodox The orthodox is now the paradox The orthodox world of ordering controlling and organizing is increasingly opposed to a normalizing world of disordering disrupting and disorganizing And organization studies cannot avoid changing its conceptions of reality as that reality changes In the future organization studies will be the study of paradox how to understand it how to use it In this book of original contributions addressed to management and organization paradoxes the authors address the new state of the field in terms of representations representing paradoxes and materialisations materialising paradoxes The themes although varied ranging from dialectics to internal tensions from collaborations to ethics and value conflicts from resistant labourers and wharfies to cartoon characters such as The Simpsons from the irrationalities of finance to the psychoanalytic rationalities of auditing and from issues of governance in Asian and international business to the composition of the new knowledge work force in the business professions cohere around core aspects of paradoxicality Overall the contributions to Management and Organization Paradoxes are diverse and challenging Each contribution takes a different angle on the central theme All of the chapters illuminate diverse aspects of contemporary paradoxes in management and organization theory The book provides in each of its chapters a challenge to the still overwhelmingly rationalist views of theory and practice that dominate the field and provides new directions for understanding organizations and management The contributors are drawn from leading European Australian and Latin American contributors      The Wise Taken in Their Own Craftiness; Or, the Wisdom of the Clergy Proved to be Folly, in a Colloquy Upon the Gorham Controversy, the Bishops, Etc John Thomas,1850      Genres and Provenance in the Comedy of W.S. Gilbert Richard Moore,2019-10-28 In The Progress of Fun W S Gilbert was considered not as a classic Victorian but as part of an on going comedic continuum stretching from Aristophanes to Joe Orton and beyond Pipes and Tabors continues the story covering the comedic experience differently by reference to genres Here treated in relation to a line of significant others we discover how Gilbert responded to areas such as the Pastoral the Irish drama nautical scenarios melodrama sensation theatre the nonsensemode pantomime spectaculars fairy plays and classical farce Also included is a wider look at his relation to various European musical forms and for instance to the English line of wit and the Elizabethan pamphleteers To consider a writer not so much by a study of individual works as by threads of linking generic modes tells us a great deal about cultural interconnections and the richly textured nature of theatrical experience Pipes and Tabors offers a tapestry of overlapping genres and treatments showing not just the design of

the finished products but the shreds and patches which form the underside of the weave According to Dorothy L Sayers life itself offers us the apparent loose ends of a design which will only be revealed from the front after death In terms of Gilbertian comedy we are privileged to be able to track both the effort of the weave and the skill of the finished product On the way we will also discover some new links and sub text implications about other 19th century denigrated groups which were buried from sight for too long
