Alexander Hamilton and the Battle of Yorktown, October 1781 Phillip Thomas Tucker, 2022-09-27 Discover the little known role Alexander Hamilton played in the decisive battle of the American Revolution Yorktown. Alexander Hamilton and the Battle of Yorktown October 1781 is the first book in nearly two and a half centuries that has ever been devoted to the story of Alexander Hamilton's key contributions in winning the most decisive victory of the American Revolutionary war at Yorktown. Past biographies of Hamilton including the most respected ones have minimized the overall importance of the young lieutenant colonel's role and battlefield performance at Yorktown which was key to forcing the surrender of Lord Cornwallis's army. Hamilton led the assault on strategic Redoubt Number Ten located on the left flank of the British defensive line and captured the defensive bastion an accomplishment that ensured the defeat and surrender of Cornwallis's army that won the American Revolution and changed the course of world history. You thought you knew the full story of the founding father of the American financial system from Lin Manuel Miranda's Broadway smash hit Hamilton but Alexander Hamilton and the Battle of Yorktown October 1781 brings into sharp relief the vital role he played in the most important battle of the American Revolution as told by renowned historian Phillip Thomas Ticker PhD.

Alexander Hamilton's Revolution Phillip Thomas Tucker, 2017-08-22 Despite his less than promising beginnings as the only key Founding Father not born and raised on American soil Hamilton was one of the best and brightest of his generation. His notoriety has rested almost entirely on his role as Secretary of the Treasury in Washington's administration yet few realize that Washington and Hamilton's bond was forged during the Revolutionary War. Alexander Hamilton's Revolution is the first book to explore Hamilton's critical role during the battle for independence. New information presents a little known and underpublished aspect of Hamilton's life that he was not only Washington's favorite staff officer but also his right hand man for most of the Revolution serving as Chief of Staff from 1777 to early 1781. While he found this position rewarding Hamilton continually asked Washington for a field command. Hamilton's wish was granted at the decisive battle of Yorktown where his Infantry Battalion charged on the defensive bastion on

Cornwallis's left flank Hamilton's capture of this position while French forced captured the adjacent position sealed Cornwallis's fate and forced his surrender and ultimate colonial victory. The entire patriotic cause benefited immeasurably from the advice and strategies provided to Washington by his youngest staff officer Alexander Hamilton. Now those critical contributions are brought to light in Hamilton's Revolution *A Guide to American Defenders of Land, Sea & Sky* Patricia A.
