forever on poetry Although the poems presented were free verse he listened carefully as he heard many of the poets attending year after year express concerns in regards to rhyming poetry The public clamored for rhyming poetry but the established poets were not forthcoming This presented a great opportunity for change and there was hope for the return of rhyming poetry And so a few years ago Morales published his first book *A Reason For Rhyme* and later published *The Suicide Sonnets* In his third book of poetry presented here *Count Edweird Lefangs Rhymin Halloween* Morales combines the art of rhyme utilizing the numerous rhyming forms used by famous poets of the past and present with humorous and serious flair that teachers and students as well as the public can all enjoy
