

Intimacy

Is not purely physical.

It's the act of connecting with someone so deeply,
You feel like you can see into their soul.

Soul To Soul Connection:

Twin Flame Soul Connections Kevin Hunter, 2018-10-16 Twin Flames have a shared ongoing sentiment and quest from the moment they are a spark shooting out of God's love that explodes into a blinding white fire that breaks apart causing one to be two until two become one again separate and whole and back around again Looking into the eyes of your Twin Flame is like looking into the eyes of God because to know love is to know God When one thinks of a Soul Mate or Twin Flame they might equate it to a passionate romantic relationship where you are making love on a white sandy palm tree lined beach in paradise for the rest of your lives This beautiful mythological notion has caused great turmoil in others who long for this person that fits the description of a lothario character in a romance novel It is also an unrealistic and misguided interpretation of the Soul Mate or Twin Flame dynamic Twin Flame Soul Connections discusses and lists some of the various myths and truths surrounding the Twin Flames and how to identify if you've come into contact with your Twin Flame or if you know someone who has The ultimate goal is not to find one's Twin Flame but to awaken one's heart to love and to work on becoming complete and whole as an individual soul through spiritual self mastery life lessons growth and raising your consciousness Your soul's life was born out of love and will die right back into that love Chapter Topics Include Karmic Soul Connections Soul Mate Soul Connections The Twin Flame Craze The Birth of Twin Flames Masculine Feminine Yin and Yang The Light and Dark Higher and Lower Energies Twin Flames The Romantic and Non Romantic Twin Flames Age and Location Twin Flames Example Couples Twin Flames Genders Gay Straight Homosexual Heterosexual Twin Flames Runner Chaser Push and Pull Twin Flames Mirrors Goals Missions and Purposes Technology Strengths and Challenges Twin Flames Coming Together Is This Person My Twin Flame Twin Flames Spiritual Growth Twin Flames Recapping the Truths and Myths of Twin Flames The Twin Flame Summary Cheat Sheet

The Truth About Soulmates (Twin Souls, Twin Flames, Dual Souls, Karmic Partners) Part 1: Phases Gabriele Hannemann,2020-02-21 The first encounter with a soulmate isn t something you can compare to any other encounter Many people will instantly realize that this is a special kind of partner Often a feeling arises as if you were looking into your own eyes or as if you were standing in front of you in person which is a result of great love connecting the two soulmates Usually the male soulmate withdraws from his female soulmate after a short time which is very difficult for her to understand because the only thing she d like is to be together with him The more he withdraws or acts in the opposite direction of what he has been saying to her the more she believes that she s imagining everything or even that she s ready for a mental hospital Thereby she may get trapped in a waiting position or feel great suffering which seems very much the same as infernal anguish These and further questions will be explained in this first part Why the male soulmate always withdraws Why at the time of their encounter the male soulmate is mostly bound to someone in a relationship Why the male soulmate usually tries to start a relationship with other women Why you ll wear a stigma of a crazy person if you tell someone about this connection Why she has to suffer so much because of his withdrawal and what it all means Which individual phases you have to go through with your soulmate and what happens in each of them What kinds of behavior you should possibly avoid with your soulmate especially if you are experiencing neediness
