Soul Trade:

Soul Trade Thomas E. Sniegowski, Tom Sniegowski, Joss Whedon, 2001 Some people collect baseball cards some people collect Beanie Babies some people collect souls A vision of a young girl in pain leads Angel Doyle and Cordelia to the scene just moments too late the girl of the vision is being taken unconscious to hospital The only clue as to what could have happened to her is an ornate glass vial found at the foot of her bed which Doyle recognises as used for the containment of human souls It seems souls have many uses other than the obvious no two are alike and the soul of an innocent child is one of the most eagerly sought after items on the demonic black market Angel knows the value of a human soul for his is the source of his own salvation But can he find this young girl s in time to save her Nor is she the only one in danger For no sooner has Angel made his presence known than the demonic dealers in souls realise that there s another soul out there which is quite literally priceless a soul more unique than they could ever have dared to dream The Lion's Wisdom Uma Shankari, 2019-09-10 In this channeled text a wise lion distraught by the condition of the world and its people tutors a human student about the part we all play in creating and preserving balance and harmony on Mother Earth An exploration of the true nature of the soul and spirituality The Lion s Wisdom will move you to see the world around you differently

Unidentified Funny Objects 8 Wendy Maas, David Gerrold, Simon R. Green, Esther Friesner, Rob Dircks, Jody Lynn Nye, Laura Resnick, Gini Koch, SCIENCE FICTION FANTASY HUMOR The Unidentified Funny Objects series delivers an annual dose of funny zany and unusual science fiction and fantasy stories All new fiction from the genre s top voices Superheroes mired in government bureaucracy Cat cat burglars Grandmotherly golems Literal minded self driving cars Evil overlords retired in Florida Indifferent aliens The Delectable Negro Vincent Woodard, 2014 Scholars of US and transatlantic slavery have largely ignored or dismissed accusations that Black Americans were cannibalized Vincent Woodard takes the enslaved person OCOs claims of human consumption seriously focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the slaveholder and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally homoerotic occurrence The Delectable Negro explores these connections between homoeroticism cannibalism and cultures of consumption in the context of American literature and US slave culture Utilizing many staples of African American literature and culture such as the slave narratives of Olaudah Equiano Harriet Jacobs and Frederick Douglass as well as other less circulated materials like James L Smith OCOs slave narrative runaway slave advertisements and numerous articles from Black newspapers published in the nineteenth century Woodard traces the racial assumptions political aspirations gender codes and philosophical frameworks that dictated both European and white American arousal towards Black males and hunger for Black male flesh Woodard uses these texts to unpack how slaves struggled not only against social consumption but also against endemic mechanisms of starvation and hunger designed to break them He concludes with an examination of the controversial chain gang oral sex scene in Toni Morrison OCOs Beloved

suggesting that even at the end of the twentieth and beginning of the twenty first century we are still at a loss for language with which to describe Black male hunger within a plantation culture of consumption **The Soul Traders**

Blockchain of Souls Chinmoy Mukherjee,2025-10-03 Dr Emil Roth a grieving widower and scientist in Zurich pioneers the Elysium Chain a blockchain technology that tokenizes human consciousness allowing souls to be preserved forked and resurrected digitally Assisted by his ethical counterpart grad student Lena Vogel and tested on terminally ill volunteer Elias Koenig the project begins as a means to immortalize memories and combat oblivion As Elias s consciousness is uploaded and fragmented into non fungible tokens the story explores the profound implications of digitizing the human essence from personal liberation through eternal simulations to societal debates on ownership identity and the democratization of death Over seven years the narrative unfolds through escalating ethical dilemmas and technological evolutions including uncontrolled forking leading to digital chaos corporate attempts to commodify souls and governmental interventions on neural piracy Conflicts arise with black markets forgotten fragments of marginalized souls and hybrid integrations blending digital echoes with living minds culminating in a global symphony where souls harmonize in equitable self governed eternities Ultimately Emil s creation transforms humanity s relationship with mortality reflecting themes of grief hubris and redemption as he himself merges into the chain leaving a legacy of unchained immortality balanced by ethical safeguards

Alberts, **One Focus Father, Son & Holy Spirit (Sovereign, Savior & Lord)** Jeffrey E. Pollock, 2023-05-21 **One Focus** Christian Poetry is inspired by the Word of God and shared to glorify God in His Son Jesus In this sin sick fallen world the Lord Jesus Christ taught His disciples that He is the Way the Truth and the Life John 14 6 the only hope to reach His Father in Heaven ABOVE ALL a sovereign HOLY GOD oversees and directs every people group and every nation is under His supreme authority The prophet Isaiah of Old put it this way As the heavens are higher than the earth so are My ways higher than your ways As the rain and the snow come

down from heaven and do not return to it without watering the earth and making it flourish so that it yields seed for the sower and bread for the eater so is My word that goes out from My mouth It will not return to Me unfulfilled See Isaiah 55 9 10 11 When God said Let there be light there was light See Genesis 1 3 Without the holy light of truth humanity remains in darkness BUT GOD our Father made it possible in His Son for all His children to see believe and be saved The Word of God is LIGHT Light reveals what is hidden in darkness and enables right vision and knowledge of His perfect will In the New the Holy Spirit expounds on the Light of Jesus through John the Apostle The Word gave life to everything created and His life brought light to everyone Light shines in the dark and the darkness cannot stop it See John 1 1 thru 5 May these poems encourage you to look to Jesus for eternal truth as you walk in the light as He is in the light See 1 John 1 7 Hope you will enjoy
