Soul Wounded But A Spirit Renewed:

The Spirit in the Epistles Witness Lee, 2017-03-01 From Romans to the seven epistles in the book of Revelation the life giving Spirit spoken of in 1 Corinthians 15:45 is the general subject of all the New Testament Epistles. In the Gospels the Lord Jesus is presented as the Word who became flesh while in the Epistles He is presented as the One who became the life giving Spirit in resurrection for us to receive experience and enjoy. In The Spirit in the Epistles Witness Lee speaks of the believers being one spirit with the Lord that is of the mingling of the divine Spirit with our regenerated human spirit. Since the Spirit is the essence of the revelation in the Epistles, Witness Lee also emphasizes our practical need to take Christ as life by turning to the indwelling Spirit by setting our mind on the spirit and by living and walking in the spirit that we may live in the Lord who is the Spirit.

Chasing the Wind Terry Reed, 2020-03-12 This book is partly about the word love and what does it really mean to use it. An example is "I love my wife and I love my chocolate" which is the deeper degree of love. What does it really mean to the person hearing the word love? What do they have in their life that relates to this word? What if they were beaten and abused as a child and then were told "I love you"? Maybe the child witnessed their father beat their mother while on drugs and later was put in prison. What is their truth about love? What all has been deposited in the child's bucket as their truth? What has your children witnessed and associated with the word love? This book takes a close look into distorted love and addictions and broken relationship cycles. To really study these issues we must have a foundation of the Bible scriptures to get to the truth. Has Satan been at work in your home with the words you use? God is the God of redemption following the
