*Dyslexia in Practice* Janet Townend,Martin Turner,2012-12-06  
Dyslexia is a specific learning difficulty that hinders the learning of literacy skills This problem with managing verbal codes in memory is neurologically based and tends to run in families Other symbolic systems such as mathematics and musical notation can also be affected Dyslexia can occur at any level of intellectual ability It can accompany but is not a result of lack of motivation emotional disturbance sensory impairment or meagre opportunities The effects of dyslexia can be alleviated by skilled specialist teaching and committed learning Moreover many dyslexic people have visual and spatial abilities which enable them to be successful in a wide range of careers The appearance of this book is to be welcomed It represents a full statement of the best practice to be found in the many kinds of intervention that are conducted with dyslexic students It addresses some fundamental questions that are seldom asked and much of what the skilled teacher knows and does is set down here in print for the first time From the Preface Collectively the chapters provide a synthesis of current practice focusing on how to assess and treat the symptoms of dyslexia guided by a proper understanding of the cognitive and linguistic weaknesses that underpin the condition The book makes clear that the backbone of intervention for dyslexia is a highly structured multisensory approach that teaches reading and spelling skills at the appropriate rate However it is also explicit in pointing out that such a programme must be delivered

with due attention to individual differences in the other cognitive skills that contribute to literacy development and take account of the learner's style interests and not least their confidence and self-esteem. This book provides an important resource for teachers who wish to become competent in the skills required for the assessment, teaching, supporting and counselling of dyslexic people in a variety of settings. It promises to reach many teachers and in turn their students and families. Margaret J Snowling, University of York, UK

**A Reading and Language Intervention for Children with Down Syndrome - Teacher's Handbook** Kelly Burgoyne, Fiona Duff, Paula Clarke, Glynnis Smith, Sue Buckley, Margaret Snowling, Charles Hulme, 2012-12-11. The Reading and Language Intervention for Children with Down Syndrome (RLI) teaches language and literacy skills following evidence-based principles adapted to meet the children's specific learning needs. It is designed for pupils with Down syndrome aged 5 to 11 years. The intervention is suitable for beginning readers through to those with reading ages up to 8 years and for students with a wide range of language abilities. Teaching is adapted to meet individual needs through initial assessments of skills and regular monitoring of progress. Together with two accompanying DVDs illustrating teaching techniques and a CD of resources, the handbook offers teachers and teaching assistants the detailed guidance, assessment tools and example teaching materials needed to implement the intervention.

*Glue Ear* Lindsay Peer, 2013-10-18. Glue Ear is a common condition among young children but until recently its long-term effects on learning and achievement weren't fully understood. Lindsay's research has demonstrated that there is a significant link between Glue Ear, speech and language, and dyslexia. This book will help teachers to understand the implications of temporary hearing loss and demonstrate how to be proactive as well as reactive in tackling the issues. This book will also be helpful to health professionals who may be aware of the medical implications of Glue Ear but not the educational reverberations. A separate section for parents enables teachers, health visitors, GPs to access information to copy and give out to families.

*Teaching Children and Young People with Special Educational Needs and Disabilities* Sarah Martin-Denham, 2015-03-19. All teachers are expected to have a clear understanding of the needs of all pupils and be able to use and evaluate distinctive teaching approaches to engage and support their entire class. But how do you actually teach and work with young people in an inclusive way? This book is your ultimate guide, with chapters on Your first day in a specialist provision, Teaching, Planning and Assessment, Working in partnership. As well as material on specific conditions which covers all areas of exceptionality. This book gives you the knowledge and practical advice you really need to help you teach children from 0-25 with special educational needs and disabilities.
