Sweet Love Survive:

Sweet Love, Survive Susan Johnson, 2010-06-16 The award winning bestselling author of *Brazen* and *Pure Sin* brings her brand of steamy sensuality to this shattering tale of forbidden love Kitty Radachek played to perfection her role as the demure wife of a powerful army commander she could never love until a stolen kiss from a daring cavalry captain awoke in the countess a flaring passion more devastating than the fires of war that raged around them Captain Apollo Kuzan was a gloriously handsome prince who'd triumphed on the battlefields and in bedrooms all across Russia He knew Kitty had no business being in his arms yet beneath her cool exterior lay a woman of fierce sensuality he couldn't resist And in the midst of a nation's upheaval their reckless liaison would hold two hearts captive as the hungry flames of passion threatened to burn out of control The Concordance to Shakespeare's Poems Mrs. Horace Howard Furness, 1872 *A Concordance to Shakespeare's Poems* Horace Furness, 2025-07-18 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Sinful* Susan Johnson, 1993-01-01 Determined to nullify her engagement to a man she does not love Chelsea Ferguson asks Sinjun St John Duke of Seth to take her to bed and ruin her reputation never suspecting that she would find love in the process *Legendary Lover* Susan Johnson, 2010-01-13 Dear Readers I had heard the gossip Who in London hadn't But whether or not the elusive Venus Duras would favor one of her numerous suitors didn't concern me After all I had a surfeit of obliging lovers And then I bumped into her Literally She was utterly enchanting the most dazzling creature I had ever seen I knew she had to be mine But she was aware of my reputation and thought me a libertine When I invited her to a dinner party she gave me the cut direct Within hours our heated encounter became the talk of the town Who could resist a wager or two on the delicious possibilities Could I conquer the unconquerable Miss Duras Would she resist or succumb to my legendary powers of seduction It became a luscious game and tantalizing spectacle wildly provocative uncertain in outcome a delight and fascination to all society Never in my wildest dreams did I think I would ever meet my match But then I never dreamed I would meet a real life Venus Yours The Marquis of Redvers *Pure Sin* Susan Johnson, 2010-07-07 A tale of exquisite pleasure that begins in the wilds of Montana and ends in the untamed places of two lovers' hearts Lady Flora Bonham couldn't help but be tantalized by Adam Serre's potent sensuality It made no difference that she'd only just met him or that he was the scandal of polite society Flora had never lived according to anybody's rules and the instant she felt the heat of Adam's passion the only thing that mattered was that she wanted him Adam Serre couldn't help but be wary Lady Flora was quite spectacular with her daring beauty and delicious conversation but the noble daughter of a famed archaeologist did not fall into the category of amorous interludes And after just extricating himself from a vicious marriage his interest in women was purely transitory Until the incomparable Flora set out to seduce him with a temptation that was pure sin To Please a Lady Susan Johnson, 2010-01-13 She risked everything

A Mirror for Lovers William F. Zak, 2013-02-07 *A Mirror for Lovers* Shake speare s Sonnets as Curious Perspective by William F Zak seeks to identify in Shake speare e sonnet sequence the structural and thematic features of the satirical tradition born in Plato s Symposium Through this study Zak traces the power of an idea to endure re animate and enrich itself through time Plato s discrimination of the true nature of love in The Symposium Born anew in its medieval reincarnations The Romance of the Rose The Vita Nuova and The Canzoniere of Petrarch the tradition begun in Plato s Symposium was then resuscitated in the Elizabethan sonnet sequence revival most notably in Shake speare s Sonnets With extended examination of all the texts in the Q manuscript *A Mirror for Lovers* makes a case for the mutually illuminating relationship among the sonnets to the fair young man and the dark lady A Lover s Complaint and the mysterious dedication that until now have never received attention as an integral symbolic matrix of meaning

The Anonymous Marie de France R. Howard Bloch, 2011-04-29 This book by one of our most admired and influential medievalists offers a fundamental reconception of the person generally assumed to be the first woman writer in French the author known as Marie de France The Anonymous Marie de France is the first work to consider all of the writing ascribed to Marie including her famous *Lais* her 103 animal fables and the earliest vernacular Saint Patrick s Purgatory Evidence about Marie de France s life is so meager that we know next to nothing about her not where she was born and to what rank who her parents were whether she was married or single where she lived and might have traveled whether she dwelled in cloister or at court nor whether in England or France In the face of this great writer s near anonymity scholars have assumed her to be a simple naive and modest Christian figure Bloch s claim in contrast is that Marie is among the most self conscious sophisticated complicated and disturbing figures of her time the Joyce of the twelfth century At a moment of great historical turning the so called Renaissance of the twelfth century Marie was both a disrupter of prevailing cultural values and a founder of new ones Her works Bloch argues reveal an author obsessed by writing by memory and by translation and acutely aware not only of her role in the preservation of cultural memory but of the transforming psychological social and political effects of writing within an oral tradition Marie s intervention lies in her obsession with the performative capacities of literature and in her acute awareness of the role of the subject in interpreting his or her own world According to Bloch Marie develops a theology of language in the *Lais* which emphasize the impossibility of living in the flesh along with a social vision of feudalism in

decline She elaborates an ethics of language in the Fables which within the context of the court of Henry II frame and form the urban values and legal institutions of the Anglo Norman world And in her Espurgatoire she produces a startling examination of the afterlife which Bloch links to the English conquest and occupation of medieval Ireland With a penetrating glimpse into works such as these The Anonymous Marie de France recovers the central achievements of one of the most pivotal figures in French literature It is a study that will be of enormous value to medievalists literary scholars historians of France and anyone interested in the advent of female authorship **My Thoughts** Kevin Anderson,2022-01-21 My Thoughts are the actions and inactions of my heart and my mind The words he found longing to say something about this and about that
