

A romantic couple, a man and a woman, are shown in a close embrace, nearly kissing. The man is shirtless and has a tattoo on his left shoulder. The woman has blonde hair and is wearing a white top. They are positioned in the upper half of the frame, with their faces close together. The background is a soft, out-of-focus blue and white, suggesting a beach or a similar outdoor setting. The overall mood is romantic and intimate.

## Sweet Eternity:

**At Eternity's Shore** Richard Murray,1912      **Eternity's Sunrise** Leo Damrosch,2015-10-28 William Blake overlooked in his time remains an enigmatic figure to contemporary readers despite his near canonical status Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language in which words and images unite in a unique interpretation of self and society He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience social political philosophical religious erotic and aesthetic He believed that we live in the midst of Eternity here and now and that if we could open our consciousness to the fullness of being it would be like experiencing a sunrise that never ends Following Blake s life from beginning to end acclaimed biographer Leo Damrosch draws extensively on Blake s poems his paintings and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world The author s goal is to inspire the reader with the passion he has for his subject achieving the imaginative response that Blake himself sought to excite The book is an invitation to understanding and enjoyment an invitation to appreciate Blake s imaginative world and in so doing to open the doors of our perception      **COMPLETELY YOURS** Barbara Ann Mary Mack,2025-01-21 **COMPLETELY YOURS** consists of a spiritual conversation which includes Almighty God and Barbara It reveals God s holy presence in the lives of Barbara his sent messenger and the residents of earth today The book is written in the form of poetry which makes it easier to understand God s holy words and sayings This is not fictional writings      My Words Mean Something ,      *Behold the Present Testament* Barbara Ann Mary Mack,2018-10-09 *Behold the Present Testament* consists of volumes 18 19 20 21 22 and 23 of the Present Testament This book reveals the author s relationship with the almighty God and her call to ministry to God s children of all ages races and lands      **Poetry and Prose of William Blake** William Blake,1927      **The Great Concern: Or, A Serious Warning to a Timely and Thorough Preparation for Death ... The Twenty-sixth Edition** Edward PEARSE (Preacher at St. Margaret's, Westminster.),1720      **The Complete Poetry and Prose of William Blake** William Blake,2008-07-07 Poetry      **William Blake** William Blake,1962      *The Great Concern ... Twenty-fifth Edition* Edward PEARSE (Preacher at St. Margaret's, Westminster.),1715      Blake: The Complete Poems W.H. Stevenson,2014-05-12 William Blake 1757 1827 is one of the great figures in literature by turns poet artist and visionary Profoundly libertarian in outlook Blake s engagement with the issues of his day is well known and this along with his own idiosyncratic concerns flows through his poetry and art Like Milton before him the prodigality of his allusions and references is little short of astonishing Consequently his longer visionary poems can challenge the modern reader who will find in this avowedly open edition all they might need to interpret the poetry W H Stevenson s *Blake* is a masterpiece of scrupulous scholarship It is as the editor makes clear in his introduction designed to be widely and fluently read and this Third Edition incorporates many changes to further that aim Many of the headnotes have been rewritten and the footnotes updated The full texts of the early prose tracts *All Religions are One* and *There is no*

Natural Religion are included for the first time In many instances Blake s capitalisation has been restored better to convey the expressive individuality of his writing In addition a full colour plate section contains a representation of Blake s most significant paintings and designs As the 250th anniversary of his birth approaches Blake has perhaps more readers than ever before Blake The Complete Poems will stand those readers new and old in good stead for many years to come **Blake & Tradition V2** Kathleen Raine,2020-04-03 First published in 2002 This is a collection of topics of A W Mellon Lectures of fine Arts stemming from 1962 on the works of Blake This volume looks at Blake s work in three discussions Reason Perception and What is Man Includes poems such as The Tyger The Ancient Trees and The Sickness of Albion **Sojourn on Eternity's Edge** Scott Arnold Arminas,2004-08-11 About the Book This book Sojourn on Eternity's Edge is an inspirational trilogy which presents a literary portrait of the authors mind depicting a personal struggle with mental illness and how by humble faith the author sets out to conquer the impossible as set by societys unforgiving standards Through poetry and prose intelligence beams through its pages revealing to the reader the power that God has over all things when left in His hands to deal with Indeed a lesson to be re evaluated in this twenty first century A time when we as people and the world as a whole so desperately need His help **Unlocking the Poetry of W. B. Yeats** Daniel Tompsett,2018-06-13 Unlocking the Poetry of W B Yeats undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art **The Monist** Paul Carus,1908 Vols 2 and 5 include appendices **Oriental Christian Biography** ,1852 **Teachings and Illustrations as They Emanate from the Spirit World** Mary Theresa Longley,1908 **A Map to the End of Time** Ronald J.
