**The John Maclay MEGAPACK®** John Maclay,2017-03-08 From the publisher s introduction I first became aware of John Maclay not as a writer but as a publisher of the now classic Masques horror anthology series edited by the late great J N Williamson and a number of other books When the original Masques appeared I remember looking at the spine and noting that it was published a company called Maclay that I had never heard of before But that name stuck and soon I began noting John Maclay s stories in various anthologies and magazines He like many of the dark fantasists who emerged in the late 1980s and early 1990s had a distinctive voice very different from the fantasists who came before He still writes that way fusing horror fantasy and suspense often with an erotic element Over the years John has steadily built up an impressive body of work and I am delighted that he accepted my invitation to contribute a volume to the MEGAPACK series So here are 15 modern classics of dark fiction Enjoy Included are NEW YORK NIGHT A YOUNGER WOMAN LYNN KARI THE ONE THING TO FEAR WIDOWED TOM RUDOLPH S LAST TAPE STARDOM MAX THE HOLE WHO WALKS AT NIGHT THE GREEN GLASS BOTTLE AN IRON MAIDEN LATE LAST NIGHT IF IT S ALL THE SAME TO YOU If you enjoy this ebook don t forget to search your favorite ebook store for Wildside Press Megapack to see more of the 280 volumes in this series covering adventure historical fiction mysteries westerns ghost stories science fiction and much much more

**Ovid's Tragic Heroines** Jessica A. Westerhold,2023-07-15 Ovid s Tragic Heroines expands our understanding of Ovid s incorporation of Greek generic codes and the tragic heroines Phaedra and Medea while offering a new perspective on the Roman poet s persistent interest in these two characters and their paradigms Ovid presents these two Attic tragic heroines as symbols of different passions that are defined by the specific combination of their gender and generic provenance Their failure to be understood and their subsequent punishment are constructed as the result of their female nature and are generically marked as tragic Ovid s masculine poetic voice by contrast is given free rein to oscillate and play with poetic possibilities Jessica A Westerhold focuses on select passages from the poems *Ars Amatoria* *Heroides* and *Metamorphoses* Building on existing scholarship she analyzes the dynamic nature of generic categories and codes in Ovid s poetry especially the interplay of elegy and epic Further her analysis of Ovid s reception applies the idea of the abject to elucidate Ovid s process of constructing gender and genre in his poetry Ovid s Tragic Heroines incorporates established theories of the performativity of sex gender and kinship roles to understand the continued maintenance of the normative and abject subject positions Ovid s poetry creates The resulting analysis reveals how Ovid s Phaedras and Medeas offer alternatives both to traditional gender roles and to material appropriate to a poem s genre ultimately using the tragic code to introduce a new perspective to epic and elegy      *Guinevere Queen of Camelot* Maya Anglaw,2025-04-14 In the shadowed halls of Camelot where opulence shimmers against the backdrop of impending tragedy Queen Guinevere emerges from the annals of history to share her poignant tale Guinevere Queen of Camelot invites readers into the heart of a kingdom teetering on the brink of collapse where love and duty collide in a tempest of passion and betrayal As the legendary tale of King Arthur unfolds Guinevere the queen trapped in a gilded cage grapples with her own desires and the weight of her responsibilities She offers a candid glimpse into her soul recounting her fateful love affair with the valiant Sir Lancelot an affair that ignites the flames of scandal and sets the stage for the downfall of the Round Table In her own words Guinevere wrestles with the complexities

of her heart torn between a king who embodies her duty and a knight who awakens her deepest passions The lush lyrical prose immerses readers in the beauty of Camelot s grandeur the vibrant tapestries the golden chalices and the echo of laughter that fills the court contrasted with the chilling solitude of Guinevere s sanctuary in a convent where she seeks refuge from the chaos her choices have wrought Here in serenity away from the glittering court she reflects on her struggles the bittersweet taste of love and the haunting specter of betrayal As the narrative unfolds the complexities of Guinevere s relationships come to life King Arthur stands as a figure of noble intent yet blind to the fractures forming in his utopia Sir Lancelot the embodiment of chivalry and passion becomes both her salvation and her curse Meanwhile the enigmatic Morgan le Fay weaves her own dark ambitions and the looming threat of Mordred casts a shadow over Camelot s future In this masterful retelling Guinevere s voice rings clear echoing themes of love versus duty the burden of betrayal and the fragile nature of forgiveness As Camelot crumbles around her readers will be drawn into a world where every choice carries the weight of consequence and the heart s desires can either uplift or destroy Join Guinevere on her haunting journey of introspection and discover the heart of a queen who dared to love fiercely even in the face of inevitable tragedy     **The Gun-runner** Bertram Mitford,1893
