Sweetgrass And Smoke:

The Circle of Life James David Audlin, 2012-02-22 THE CIRCLE OF LIFE presents traditional oral Native American sacred teachings from the Iroquois Lakota and other traditions The author has been receiving these teachings from elders since his youth The wisdom embraces cosmology ethics epistemology metaphysics sociology psychology healing dream interpretation and more Audlin calls himself neither a spiritual teacher nor an authority but a conduit through which these oral traditions can be presented meaningfully to people in a modern world He outlines universal principles common to many traditional peoples worldwide The Red Road is available to all regardless of religion or ethnicity willing to follow its paths These paths however are often not easy and require deep personal and spiritual commitment Audlin says in his introduction If this book serves any purpose let it be to help us bring the Sacred Hoop of All the Nations back together again so we and all that lives may stand as one in silent awe before that Great Mystery *Vibrational House Clearing Techniques for Real*
