Sweetgrass Baskets And The Gullah Tradition:

Sweetgrass Baskets and the Gullah Tradition Joyce V. Coakley, 2005 Looks at the history of the African art of sweetgrass basket making in the Christ Church Parish of Mount Pleasant South Carolina Low Country Gullah Culture, Special Resource Study ,2003 *American Folk Art* Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are , African American Folklore Anand Prahlad, 2016-08-08 African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day This encyclopedia provides accessible entries on key elements of this long history including folklore originally derived from African cultures that have survived here and those that originated in the United States Inspired by the author s passion for African American culture and vernacular traditions African American Folklore An Encyclopedia for Students thoroughly addresses key elements and motifs in black American folklore especially those that have influenced American culture With its alphabetically organized entries that cover a wide range of subjects from the word conjure to the dance style of twerking this book provides readers with a deeper comprehension of American culture through a greater understanding of the contributions of African American culture and black folk traditions This book will be useful to general readers as well as students or researchers whose interests include African American culture and folklore or American culture It offers insight into the histories of African American folklore motifs their importance within African American groups and their relevance to the evolution of American culture The work also provides original materials such as excerpts from folktales and folksongs and a comprehensive compilation of sources for further research that includes bibliographical citations as well as lists of websites and cultural centers **Freedom in My Heart** Cynthia Jacobs Carter, 2008 This unparalleled companion volume uses the remarkable artifacts images and documents of the United States National Slavery Museum to trace the entire history of slavery in North America from the societies of ancient Africa to the repercussions still faced by Americans today and to celebrate the perseverance and ultimate triumph of

a people *Talking to the Dead* LeRhonda S. Manigault-Bryant, 2014-05-14 *Talking to the Dead* is an ethnography of seven Gullah Geechee women from the South Carolina lowcountry. These women communicate with their ancestors through dreams, prayer, and visions and traditional crafts and customs such as storytelling, basket making, and ecstatic singing in their churches. Like other Gullah Geechee women of the South Carolina and Georgia coasts, these women through their active communication with the deceased make choices and receive guidance about how to live out their faith and engage with the living. LeRhonda S. Manigault-Bryant emphasizes that this communication affirms the women's spiritual faith, which seamlessly integrates Christian and folk traditions and reinforces their position as powerful culture keepers within Gullah Geechee society. By looking in depth at this long-standing spiritual practice, Manigault-Bryant highlights the subversive ingenuity that lowcountry inhabitants use to thrive spiritually and to maintain a sense of continuity with the past. *The New Encyclopedia of Southern Culture* Carol Crown, Cheryl Rivers, Charles Reagan Wilson, 2013-06-03 Folk art is one of the American South's most significant areas of creative achievement, and this comprehensive yet accessible reference details that achievement from the sixteenth century through the present. This volume of *The New Encyclopedia of Southern Culture* explores the many forms of aesthetic expression that have characterized southern folk art, including the work of self-taught artists as well as the South's complex relationship to national patterns of folk art collecting. Fifty-two thematic essays examine subjects ranging from colonial portraiture, Moravian material culture, and southern folk pottery to the South's rich quilt-making traditions, memory painting, and African American vernacular art. And 211 topical essays include profiles of major folk and self-taught artists in the region. *A Delicate Balance* Angela C. Halfacre, 2013-04-15 Sustainability of the natural environment and of our society has become one of the most urgent challenges facing modern Americans. Communities across the country are seeking a viable pattern of growth that promotes prosperity, protects the environment, and preserves the distinctive quality of life of their regions. The coastal zone of South Carolina is one of the most endangered, culturally complex regions in the state and perhaps in all of the American South. *A Delicate Balance* examines how a multilayered culture of environmental conservation and sustainable development has emerged in the lowcountry of South Carolina. Angela C. Halfacre, a political scientist, describes how sprawl, shock, natural disaster, climate change, and other factors spawned and sustain but also threaten and hinder the culture of conservation. Since Hurricane Hugo in 1989, the coastal region of South Carolina has experienced unprecedented increases in residential and commercial development. *A Delicate Balance* uses interdisciplinary literature and ethnographic, historical, and spatial methods to show how growing numbers of lowcountry residents, bolstered by substantial political, corporate, and media support, have sought to maintain the region's distinctive sense of place as well as its fragile ecology. The diverse social and cultural threads forming the fabric of the lowcountry conservation culture include those who make their living from the land, such as African American basket makers and multigenerational farmers, as well as those who own, manage, and develop the land and homeowner association members.

Evolving perceptions policies and practices that characterize community priorities and help to achieve the ultimate goal of sustainability are highlighted here As Halfacre demonstrates maintaining the quality of the environment while accommodating residential commercial and industrial growth is a balancing act replete with compromises This book documents the origins goals programs leaders tactics and effectiveness of a conservation culture A Delicate Balance deftly illustrates that a resilient culture of conservation that wields growing influence in the lowcountry has become an important regional model for conservation efforts across the nation A Delicate Balance also includes a foreword by journalist Cynthia Barnett author of Blue Revolution Unmaking America s Water Crisis and Mirage Florida and the Vanishing Water of the Eastern U S

The New Encyclopedia of Southern Culture Glenn Hinson,William Ferris,Charles Reagan Wilson,2010-01-01 Southern folklife is the heart of southern culture Looking at traditional practices still carried on today as well as at aspects of folklife that are dynamic and emergent contributors to this volume of The New Encyclopedia of Southern Culture examine a broad range of folk traditions Moving beyond the traditional view of folklore that situates it in historical practice and narrowly defined genres entries in this volume demonstrate how folklife remains a vital part of communities self definitions Fifty thematic entries address subjects such as car culture funerals hip hop and powwows In 56 topical entries contributors focus on more specific elements of folklife such as roadside memorials collegiate stepping quinceanera celebrations New Orleans marching bands and hunting dogs Together the entries demonstrate that southern folklife is dynamically alive and everywhere around us giving meaning to the everyday unfolding of community life

Savannah and the State of Georgia Kate Boehm Jerome,2011 Collects information on the land history and people of Savannah and the state of Georgia

African American Culture Omari L. Dyson,Judson L. Jeffries Ph.D.,Kevin L. Brooks,2020-07-23 Covering everything

from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business

The SAGE Encyclopedia of African Cultural Heritage in North America
Mwalimu J. Shujaa, Kenya J. Shujaa, 2015-07-13 The Encyclopedia of African Cultural Heritage in North America provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participants in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on processes and manifestations of African cultural heritage and continuity

FEATURES A two volume A to Z work available in a choice of print or electronic formats 350 signed entries each concluding with Cross references and Further Readings 150 figures and photos Front matter consisting of an Introduction and a Reader s Guide organizing entries thematically to more easily guide users to related entries Signed articles concluding with cross references
