Hornet's Next William H. LaBarge, 2011-11-23 FREEDOM DOES NOT COME FREE In today's society individuals feel they have earned the right to sit in classrooms and learn earned the right to vote and have a sense of entitlement Without a Veteran whether active duty or retired is someone who at one point in their life signed a blank check made payable to The United States of America for an amount of up to and including my life That is honor and there are way too many people in this country who no longer understand it It's your responsibility to be a good citizen our military has paid the price so that you can have your Freedom and it is their self sacrifice that has made this country possible Don't forget it The Bitterness of War Remains Long after the Sweetness Of Victory is Forgotten Out of the frying pan into the Persian Gulf Sweetwater and Sundance were the hottest Top Gun fly boys in the Navy But the Persian Gulf gave a new meaning to the word hell Now on a Top Secret mission Sweetwater and company are out to destroy Iranian ships laying mines in the gulf This mission sends a loud message to the leaders of Iran Iraq North Korea Afghanistan Libya and Pakistan they better be listening With their F A 18 Hornets and more guts than firepower these pilots mean business They're the Navy's best taking on the worst job of their careers Sweetwater's always like a challenge This time he's got it Hornet's Nest *Desert Voices* William H. LaBarge, 2019-09-22 America's strength has always been her people Never has this strength been more evident than in time of war From the Revolution on the history of America at war has always been the history of ordinary men and women doing extraordinary things But in the past it has taken years sometimes even decades for those heroic men and women to be heard for their individual stories to be told In the current era with electronic media making the news instantaneously available

around the world one would think that would no longer be the case In America s latest war the electronic media brought us only the men and women at the top leaders like General Schwarzkopf General Kelly and Pete Williams the official voice of the Pentagon But the real stories the stories of courage under fire were half a world away in Khafji and Dhahran Basra and the barren wastes of the Iraqi desert The stories were there because America s men and women were there with M 16s and artillery in tanks and in attack aircraft in the tents and in the trenches Every service was represented Army Navy Air Force and U S Coast Guard The career soldiers were there and so were the citizen soldiers of the reserves These are their stories told in their own way These are the Desert Voices
